

PLANNING COMMITTEE

Monday, 15th May, 2017

Present:-

Councillor Brittain (Chair)

Councillors	Simmons	Councillors	Caulfield
	P Barr		Elliott
	Brady		Hill
	Callan		Miles

*Matters dealt with under the Delegation Scheme

The following site visits took place immediately before the meeting and were attended by the following Members:-

CHE/17/00037/FUL – Three new detached dwellings (CMRA Received on 14/03/2017 and revised plans received on 25/04/2017) on land to the rear of The Gables, Netherthorpe, Chesterfield.

Councillors P Barr, Brady, Brittain, Callan, Caulfield, Elliott, Hill, Miles and Simmons.

CHE/17/00182/REM – Reserved matters application for access, appearance, landscaping, layout and scale – Planning application No. CHE/13/00781/EOT – Construction of a use class B2/B8 unit with use class B1(A) office space plus substation, cycle shelter, smoking shelter, associated drainage, landscaping, engineering and access works, parking arrangements and provision of pump house and sprinkler tanks at Plot 13 Markham Vale, Chesterfield.

Councillors P Barr, Brady, Brittain, Callan, Caulfield, Elliott, Hill, Miles and Simmons.

1 APOLOGIES FOR ABSENCE

Apologies for absence were received from Councillors Bingham, Catt, Davenport, T Gilby and Sarvent.

2 DECLARATIONS OF MEMBERS' AND OFFICERS' INTERESTS

RELATING TO ITEMS ON THE AGENDA

No declarations of interest were received.

3 MINUTES OF PLANNING COMMITTEE

RESOLVED -

That the Minutes of the meetings of the Planning Committee held on 3 and 24 April, 2017 be signed by the Chair as a true record.

4 APPLICATIONS FOR PLANNING PERMISSION - PLANS DETERMINED BY THE COMMITTEE

*The Committee considered the under-mentioned applications in light of reports by the Group Leader, Development Management and resolved as follows:-

CHE/17/00182/REM - RESERVED MATTERS APPLICATION FOR ACCESS, APPEARANCE, LANDSCAPING, LAYOUT AND SCALE - PLANNING APPLICATION NO. CHE/13/00781/EOT -CONSTRUCTION OF A USE CLASS B2/B8 UNIT WITH USE CLASS B1(A) OFFICE SPACE PLUS SUBSTATION, CYCLE SHELTER, SMOKING SHELTER, ASSOCIATED DRAINAGE, LANDSCAPING, ENGINEERING AND ACCESS WORKS, PARKING ARRANGEMENTS AND PROVISION OF PUMP HOUSE AND SPRINKLER TANKS AT PLOT 13 MARKHAM VALE, CHESTERFIELD.

That the officer recommendation be upheld and the application be approved subject to the following conditions:-

1. All external dimensions and elevational treatments shall be as shown on the approved plans/reports (listed below) with the exception of any approved non material amendment.

6037-046 Site Location Plan

Design and Access Statement prepared by WYG dated March 2017
Travel Plan prepared by BWB dated 10 March 2017.

2. No development shall take place until space is provided within the site curtilage, for site accommodation, storage of plant and materials, parking and manoeuvring of site operative's and visitor's vehicles together with the loading/unloading and manoeuvring of goods vehicles. The space shall be constructed and laid out to enable vehicles to enter and leave the site in a forward gear, in surface materials suitable for use in inclement weather and maintained free from impediment throughout the duration of construction works.

3. No part of the development hereby approved shall be occupied until space has been laid out within the site in accordance with the approved plan for cars to be parked, for the loading and unloading of vehicles and for vehicles to turn so that they may enter and leave the site in forward gear. Thereafter all spaces and dedicated turning areas shall be maintained in perpetuity clear of any obstruction to their dedicated use.

4. Prior to the development being brought into use the cycle parking spaces shown on 6037-110A Cycle/Smoking Shelter and Fence Details shall be provided on site. The cycle parking shall be retained thereafter in perpetuity.

5. Prior to occupation of the building, full details of hard and soft landscape works for the approved development shall have been submitted to and approved in writing by the Local Planning Authority, and implemented in accordance with the details approved.

6. If, within a period of five years from the date of the planting of any tree or plant, that tree or plant, or any tree or plant planted as a replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the Local Planning Authority, seriously damaged or defective, another tree or plant of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.

7. Prior to their installation details of any External Lighting to be installed shall be submitted to and approved in writing by the Local Planning Authority. Only those details which receive written approval shall be implemented on site.

8. Prior to their installation details of the Pump House and Sprinkler Tanks including their colour shall be submitted to and approved in writing by the Local Planning Authority. Only those details which receive written approval shall be implemented on site.

9. The Approved Travel Plan shall be implemented in accordance with the timescales specified therein, to include those parts identified as being implemented prior to occupation and following occupation, unless alternative timescales are agreed in writing with the Local Planning Authority. The Approved Travel Plan shall be monitored and reviewed in accordance with the agreed Travel Plan targets.

10. Construction work shall only be carried out on site between 8:00am and 6:00pm Monday to Friday, 9:00am to 5:00pm on a Saturday and no work on a Sunday or Public Holiday. The term "construction work" will also apply to the operation of plant, machinery and equipment.

CHE/17/00037/FUL - THREE NEW DETACHED DWELLINGS (CMRA RECEIVED ON 14/03/2017 AND REVISED PLANS RECEIVED ON 25/04/2017) ON LAND TO THE REAR OF THE GABLES, NETHERTHORPE, CHESTERFIELD, DERBYSHIRE S43 3PU

That the officer recommendation be upheld and the application be approved subject to the following conditions:-

A. 1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

2. All external dimensions and elevational treatments shall be as shown on the approved plans (listed below) with the exception of any approved non material amendment.

- 111-1116-T Topographical Survey
- JC/STAVELEY-PL-001.2 Rev A Plots 2 and 3 Elevations and Floor Plans
- JC/STAVELEY-PL-001.1 Rev D Plot 1 Elevations and Floor Plans, Proposed Site Plan and OS Plan
- Coal Mining Report and Coal Mining Risk Assessment

Drainage

3. No development shall take place until details of the proposed means of disposal of foul and surface water drainage, including details of any balancing works and off-site works, have been submitted to and approved in writing by the Local Planning Authority. The site shall be developed with separate systems of drainage for foul and surface water on and off site.

4. There shall be no piped discharge of surface water from the development prior to the completion of the approved surface water drainage works and no buildings shall be occupied or brought into use prior to completion of the approved foul drainage works.

Site Investigations

5. Development shall not commence until intrusive site investigations have been carried out by the developer to establish the exact situation regarding coal mining legacy issues and contamination on the site and approval for commencement of development given in writing by the Local Planning Authority. The investigation and conclusions shall include any remedial works and mitigation measures required/proposed for the remediation/stability of the site. Only those details which

receive the written approval of the Local Planning Authority shall be carried out on site.

Contamination/Noise

6. A. Development shall not commence until details as specified in this condition have been submitted to the Local Planning Authority for consideration and those details, or any amendments to those details as may be required, have received the written approval of the Local Planning Authority.

I. A desktop study/Phase 1 report documenting the previous land use history of the site.

II. A site investigation/Phase 2 report where the previous use of the site indicates contaminative use(s). The site investigation/Phase 2 report shall document the ground conditions of the site. The site investigation shall establish the full extent, depth and cross-section, nature and composition of the contamination. Ground gas, groundwater and chemical analysis, identified as being appropriate by the desktop study, shall be carried out in accordance with current guidance using UKAS accredited methods. All technical data must be submitted to the Local Planning Authority.

III. A detailed scheme of remedial works should the investigation reveal the presence of ground gas or other contamination. The scheme shall include a Remediation Method Statement and Risk Assessment Strategy to avoid any risk arising when the site is developed or occupied.

B. If, during remediation works any contamination is identified that has not been considered in the Remediation Method Statement, then additional remediation proposals for this material shall be submitted to the Local Planning Authority for written approval. Any approved proposals shall thereafter form part of the Remediation Method Statement.

C. The development hereby approved shall not be occupied until a written Validation Report (pursuant to A II and A III only) has been submitted to and approved in writing by the Local Planning Authority. A Validation Report is required to confirm that all remedial works have been completed and validated in accordance with the agreed Remediation Method Statement.

7. Construction work shall only be carried out on site between 8:00am and 6:00pm Monday to Friday, 9:00am to 5:00pm on a Saturday and no work on a Sunday or Public Holiday. The term "work" will also apply to the operation of plant, machinery and equipment.

Highways

8. Before any other operations are commenced, space shall be provided within the site for storage of plant and materials, site accommodation, loading, unloading and manoeuvring of goods vehicles, parking and manoeuvring of employees and visitors vehicles, laid out and constructed in accordance with detailed designs first submitted

to and approved in writing by the Local Planning Authority. Once implemented the facilities shall be retained free from any impediment to their designated use throughout the construction period.

9. The premises the subject of the application shall not be occupied until space has been provided within the application site in accordance with the application drawings for the parking and manoeuvring of vehicles, laid out, surfaced and maintained throughout the life of the development free from any impediment to its designated use.

Others

10. Within 2 months of commencement of development, unless otherwise agreed in writing by the Local Planning Authority, full details of hard and soft landscape works for the approved development shall be submitted to the Local Planning Authority for consideration. The hard landscaping scheme shall take account of any root protection areas to retained trees/hedgerows on site and may require alternative measures of construction and finishes to be considered.

Hard landscaping includes proposed finished land levels or contours; means of enclosure; minor artefacts and structures (e.g. furniture, play equipment, refuse or other storage units, signs, lighting etc.) retained historic landscape features and proposals for restoration, where relevant. These works shall be carried out as approved prior to the occupation of the dwelling.

11. Notwithstanding the provision of the Town and Country Planning (General Permitted) Development Order 1995 (as amended) there shall be no extensions, outbuildings or garages constructed (other than garden sheds or greenhouses of a volume less than 10 cubic metre) or additional windows erected or installed at or in the dwelling hereby approved without the prior written agreement of the Local Planning Authority.

12. Before construction works commence or ordering of external materials takes place, precise specifications or samples of the walling and roofing materials to be used shall be submitted to the Local Planning Authority for consideration. Only those materials approved in writing by the Local Planning Authority shall be used as part of the development.

13. No removal of buildings, trees or shrubs shall take place between 1st March and 31st August inclusive, unless a competent ecologist has undertaken a careful, detailed check of buildings and vegetation for active birds' nests immediately before the building is demolished/ vegetation is cleared and provided written confirmation that no birds will be harmed and/or that there are appropriate measures in place to protect nesting bird interest on site. Any such written confirmation should be submitted to the Local Planning Authority.

14. In the event it is proposed to import soil onto site in connection with the development the proposed soil shall be sampled at source and analysed in a MCERT certified laboratory, the results of which shall be submitted to the Local Planning

Authority for consideration. Only the soil approved in writing by the Local Planning Authority shall be used on site.

B. That a CIL Liability notice be issued for £9,500 as per section 5.7 of the officer's report.

CHE/15/00843/LBC - UPDATE REPORT - LISTED BUILDING CONSENT APPLICATION FOR RESTORATION AND CONVERSION OF THE GRADE II* LISTED WALTON WORKS BUILDING TO GROUND FLOOR RETAIL UNITS AND OFFICES WITH 26 APARTMENTS ABOVE AND MILL TERRACE TO 11 DWELLINGS WITH ASSOCIATED PARKING AT FORMER WALTON AND BOYTHORPE WORKS, OFF FACTORY STREET AND GOYT SIDE ROAD, BRAMPTON, CHESTERFIELD, DERBYSHIRE S40 2BN

Pursuant to Minute No.111 (2016/17) the Development Management and Conservation Manager submitted a report requesting that members considered proposed revisions to the approved conditions for applications CHE/15/00843/LBC and CHE/15/00832/FUL, and for authority to be delegated to the Development Management and Conservation Manager, in consultation Historic England, to make any further necessary amendments to the exact wording of the final conditions affecting the listed building and the S106 agreement.

***RESOLVED –**

A. That the approved conditions for CHE/15/00843/LBC be amended as follows:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.
2. All external dimensions and elevational treatments shall be as shown on the approved plans (listed below) with the exception of any approved non material amendment.

Proposed Elevations - Drawing Ref No's 0209.1206 Rev F, 0209.1207 Rev E, 0209.1208 Rev A, 0209.1209 Rev D, 0209.1210 Rev D and 0209.1217 Rev A.

Proposed Floorplans- Drawing Ref No's 0209.1201 Rev G, 0209.1202 Rev G, 0209.1203 Rev D, 0209.1204 Rev E and 0209.1205 Rev C.

3. All historic fenestration and doors shall be retained/repaired; and any replacement will only be considered in consultation with the Local Planning Authority's Conservation Officer and Historic England. Development shall not commence until a windows and doors schedule of works has been submitted to the Local Planning Authority for consideration and written approval. This schedule shall include a fully detailed appraisal of all such features with full details of condition and any necessary repairs. Any proposed changes to existing windows and doors throughout the mill complex shall be detailed to include the proposed design, means of opening and materials for any new windows and doors, including the proposed ground floor glazed entrance lobby for buildings 7 and 11. Robust justification to the satisfaction of Local Planning Authority's Conservation Officer and Historic England will be required to justify the replacement of any windows and doors with historic and architectural value. Only those details approved in writing shall be implemented on site in strict accordance with the approved schedule.

4. Development shall not commence until an interior schedule of works has been submitted to the Local Planning Authority for consideration and written approval. This schedule shall include detailed floor plans to demonstrate how the proposed room layouts will secure minimal impacts on the interior of the listed buildings, the approach to how partitions will be fixed and how the walls will be treated e.g. establishing the principle of setting partitions to the underside of the exposed beams/walls to be left exposed rather than plaster boarded; and the schedule will need to demonstrate how the apartments will be arranged to preserve and integrate with the cast iron columns, brick arches and historic floor structures. Only those details approved in writing by the Local Planning Authority shall be implemented on site in strict accordance with the approved schedule.

5. Development shall not commence until full details of the proposed service plans in and around the listed building have been submitted to the Local Planning Authority for consideration and written approval. These plans shall include the location of main service runs and plant relating to gas, electricity, ventilation and waste. Only those

details approved in writing by the Local Planning Authority shall be implemented on site in strict accordance with the approved scheme.

6. Development shall not commence until further details of any new materials samples or specifications have been submitted to the Local Planning Authority for consideration and written approval. These details shall include any new roofing materials, brickwork, stonework and re-pointing; as well as details/specifications of the proposed materials for the external lifts and additional floor elevations. Only those details approved in writing by the Local Planning Authority shall be implemented on site in strict accordance with the approved scheme.

7. Development shall not commence until a further details of all rain water goods have been submitted to the Local Planning Authority for consideration and written approval. These details shall include the detailed design and material specification of any new guttering down pipes and hoppers. Only those details approved in writing by the Local Planning Authority shall be implemented on site in strict accordance with the approved scheme.

8. Development shall not commence until further details and sectional drawings have been submitted to the Local Planning Authority for consideration and written approval detailing the integration of the new floors and lifts to the existing building. These plans shall include drawings/details showing how the modern additions will connect to the existing elevations and floors and detail treatment and finishes of cornicing, exposed brickwork etc). Only those details approved in writing by the Local Planning Authority shall be implemented on site in strict accordance with the approved scheme.

9. Development shall not commence until further details of the proposed works to the existing water tank to create the proposed viewing platform have been submitted to the Local Planning Authority for consideration and written approval. Only those details approved in writing by the Local Planning Authority shall be implemented on site in strict accordance with the approved scheme.

B. That as the committee is minded to accept the recommendations regarding the listed building application the proposals be first referred to the Secretary of State for consideration of whether the application should be called in.

C. That the approved conditions for CHE/15/00832/FUL be amended as follows:

52. All external dimensions and elevational treatments shall be as shown on the approved plans (listed below) with the exception of any approved non material amendment.

Proposed Elevations - Drawing Ref No's 0209.1206 Rev F, 0209.1207 Rev E, 0209.1208 Rev A, 0209.1209 Rev D, 0209,1210 Rev D and 0209-1217 Rev A.

Proposed Floorplans – Drawing Ref No's 0209.1201 Rev G, 0209.1202 Rev G, 0209.1203 Rev D, 0209.1204 Rev E and 0209.1205 Rev C.

Proposed Site Plan – Drawing Ref No's 0209.004 Rev G and 0209.003 (Demolition Site Works Plan).

Proposed Elevations – Drawing Ref No 0209.1211.

Proposed Elevations – Drawing Ref No 0209.1212.
 Design and Access Statement V2 – 19/04/2017 (prepared by Ibbotson Architects);
 Statement of Community Involvement (prepared by Cerda Planning dated Dec 2015);
 Geotechnical and Geo-Environmental Desk Study for Walton Works (prepared by Eastwoods & Partners dated July 2015);
