2.0 Premises Details.

- 2.1 The premise is an open air market place in the middle of Chesterfield town centre, maintained by Chesterfield Borough Council. The applicant describes it as a *"Market Place and open events area with capacity to accommodate market stalls, catering units and live/recorded performance event staging."*
- 2.2 There are retail and business units, including licensed venues, around the perimeter of the market place which also include some residential development.
- 2.3 The extent of the application, identified by the red line, is shown on the plan below. The plan is also attached at appendix A to this report.

3.0 Application Details

- 3.1 The application was accepted by the Licensing department on 2nd August 2023 and seeks a Premises Licence for the Market Place, New Square and the approach to the library. The Market Hall is excluded from the application.

- 3.2 The application seeks permission to conduct the following licensable activities daily from 0900 am to 2300 pm
- Sale and supply of alcohol on and off the premises
 - Films indoors and outdoors
 - Live and recorded music indoors and outdoors
 - Performance of dance indoors and outdoors

- 3.3 The applicant has indicated that if the licence should be granted they would promote, and coordinate events taking place within the Market Place and New Square and may also permit third parties including other event/function/catering operators to conduct licensable activities within the Market Place and New Square under the terms of this licence.
- 3.4 As a control measure where a third party might use this space, the Local Authority has volunteered this additional condition

Where the venue is leased or hired out to a third party and

- *such agreement includes the performance of licensable activities authorised under the terms of this premises licence*
- *and no Chesterfield Borough Council staff responsible for the premises licence will be on site for the duration of the event nor have control of the event*

then the premises licence holder or venue manager will complete a written agreement with the third party wherein the third party acknowledges

- *the scope and limitations of the licence*
- *and any conditions they must adhere to, including the restrictions within the premises licence.*

4.0 **Application Process**

- 4.1 Applications for a new Premises Licence are required to be advertised by way of
- A notice in the local press,
 - a site notice displayed at the premises,
 - copies of the application submitted to the Responsible Authorities

- and details of the application posted on the Chesterfield Borough Council website.
- 4.2 A copy of the application form is attached at appendix B.
- 4.3 The application was advertised within the prescribed time limits, appearing in the Derbyshire Times on August 10th 2023. A copy of the advert is attached at appendix C.
- 4.4 The site notices displayed, advertising the application have been affixed to street furniture at each entrance to the area and around the site. They have been viewed continuously throughout the application period and found to be compliant with requirements.
- 4.5 The application was submitted on-line. The Licensing Department circulated a copy to the Responsible Authorities.
- 4.6 The application has been posted on the Local Authority licensing web page.
- 4.7 The statutory deadline for representations was 30th August 2023.
- 4.8 Responsible Authorities and Interested Parties (which includes persons or bodies representative of businesses or residents in the vicinity of the premises) are entitled to make representations to the Licensing Authority provided they are relevant representations.
- 4.9 To be relevant, the representation must be made in relation to one or more of the licensing objectives which are: -
- the prevention of crime and disorder
 - public safety
 - the prevention of public nuisance
 - the protection of children from harm
- 4.10 The application itself is somewhat unusual in nature. The Licensing Team felt that such an application was unprecedented in the locality.
- The Local Authority is applying to it's own Licensing Department for a premises alcohol licence.
 - The proposed licensed area is a significant outdoor space.

- The application includes third party use of the licence permissions.
- There was potential conflict between the application and the provisions of the Chesterfield Town Centre Public Spaces Protection Order.

Thus the application was deserving of a greater level of scrutiny.

4.11 The concern in relation to the PSPO was the conflict between operating a licensed venue in the town centre and the provisions of the Public Spaces Protection Order which apply there. A copy of the PSPO is attached at appendix E.

4.12 The PSPO bans

- loitering around cash machines, shopping centre entrances, shop entrances, car park ticket machines and payment machines to beg for money.
 - urinating or defecating anywhere that is not in a public toilet.
 - putting up or using a tent or other temporary structure without the landowner's permission.
 - leaving any personal belongings unattended.
 - any activity or behaviour which causes nuisance, alarm, harassment to distress to another person.
- and
- Enables the police or other authorised enforcement officers to make anyone found drinking alcohol, on the streets within the town centre, hand over open or unopened alcohol tins or bottles.

4.13 The licensing team sought legal advice in relation to the application, seeking clarification around the PSPO issue and a greater level of scrutiny.

4.14 The legal advice received identified

- The need for transparency and formality.
- The application should be processed and considered in the same way as any other application.
- There should be consideration of the conflict between the application and the Public Spaces Protection Order.

- Consideration should be given for referring such applications to the Licensing Committee to provide a greater level of scrutiny.
- That any representations received be given the appropriate level of scrutiny.

4.15 No representation has been received from a Responsible Authority.

4.16 Derbyshire Police raised a concern in respect of the sale and supply of alcohol in this area as it might impact detrimentally upon the public space protection order already in place there. The applicant and the Police discussed the issue and agreed upon a mutually acceptable additional condition to be added to the licence for events on site where alcohol sales would take place.

The user of the premises will complete an event management plan where alcohol is to be sold or supplied by way of "on" sales.

- *The plan will form part of the contract between the premises licence holder and user of the premises.*
- *The plan will be completed and shared with Derbyshire Police Licensing, as well as the premises licence holder no less than 14 days before any such event.*
- *The plan will be retained by the licence holder for a period of three years.*
- *The plan will be made available to an officer of a Responsible Authority by the premises licence holder or premises user upon reasonable request.*

The premises user is identified as the operator of alcohol sales provision under the terms of this licence.

The event management plan will consider the event arrangements in the context of

- *the current Health & Safety Executive's Purple Guide which provides guidance for event managers*
- *and the current Chesterfield Borough Council Public Spaces Protection Order for Chesterfield Town Centre.*

Of particular consideration will be

- *Toilet provision*
- *The impact of on-street drinking*

- *The risk assessed deployment of door supervisors and/or Chesterfield Borough Council staff.*
- *The provision of fencing or barriers intended to deter open containers of alcohol being taken from the site.*

4.17 The Police concerns in this respect were allayed with the addition of the negotiated condition relating to events in the town centre using the proposed licence where “on sales” would be permitted.

4.18 A representation has been received from a Chesterfield resident and a copy is included at appendix D.

4.19 The representation addresses the following issues

The prevention of crime and disorder

- Litter, broken glass, and glass bottles, take-away containers and rubbish discarded by premises users and drunkards on the way home from licenced premises.

Public safety

- Alcohol is one of the most toxic substances a human body can ingest. The consumption of alcohol puts the user at risk of accidents and ill health. The council has a responsibility to uphold safety standards and prevent accidents occurring.

The prevention of public nuisance

- What decibel levels are permitted?
- Residents out of the town can hear the ruckus at home of activity at licenced premises in the town centre.

Protection of children from harm

- Having alcohol available while showing a film or at a music venue whilst children are present.
- Will children be present whilst alcohol is available to the parents or guardians of the children. If so, by the council allowing the sale of alcohol whilst parents and guardians are intoxicated it will put children at risk.

5.0 The licensing objectives, guidance and policy

- 5.1 When carrying out its licensing functions in relation to this application, the Committee must do so in accordance with the provisions contained in the Licensing Act 2003 and with a view to promoting the licensing objectives.
- Prevention of crime and disorder
 - Public safety
 - Prevention of public nuisance
 - Protection of children from harm.
- 5.2 The Committee must have regard to its Statement of Licensing Policy and the guidance issued by the Secretary of State under section 182 of the Licensing Act 2003.
- 5.3 Where either the applicant or a person who has made relevant representations is aggrieved by the decision of the Licensing Authority, appeal is to the Magistrates' Court.

6.0 **Recommendation**

- 6.1 That the Committee
- Apply the appropriate level of scrutiny to this premises licence application, given its unique nature
 - Consider
 - the details and impact of the new premises licence application,
 - the concerns identified in the legal advice sought,
 - the impact of the application upon the Public Spaces protection Order and
 - the concerns raised in the representation received
 - Consider whether the negotiated condition between Chesterfield Borough Council and Derbyshire Police Licensing be added should the premises licence application be granted
 - and determine whether the application made by
 - Chesterfield Borough Council
 - In respect of Market Place and New Square, Chesterfieldbe granted, granted with modification or refused.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:

 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

LICENSING

Dear Licensing Department,
I object to the application being applied for on New Market Square for the following reasons:-

- * Crime and Disorder, I personally am fed up of seeing mess left by people drinking in town it is a crime to litter and drunkards tend to cause a nuisance to society in general, i.e. broken glass / glass bottles being glass on the floor & then the issue of the trolleys used and rubbish dumped on their way home.
- * Safety - Safety towards themselves, Alcohol being one of the most toxic substance a human body can ingest. Putting themselves at risk of Accidents, ill health etc. Surely the Council have a responsibility to uphold the Safety Standards and prevent Accidents occurring.
- * Keeping children Away from Harm, Having alcohol available whilst portraying a Film, music Venue. Will children be present whilst Alcohol is available to the Parents/Guardians? If so by the Council allowing the sale of alcohol whilst parents/Guardians are intoxicated puts children at Risk.
- * What decible levels ~~are~~ are permitted?
Also you need to take into consideration residents out of town as I personally can hear the music at home and I live over a mile away.

Yours Sincerely

Mr. BA. Caverick

Chesterfield Borough Council and Derbyshire Police are working together to implement a Public Spaces Protection Order (PSPO) in Chesterfield town centre.

The aim of the PSPO is to provide help and support to vulnerable members of the community, to address aggressive begging, and deter anti-social behaviour.

The PSPO will see the council, police and other partners, including the community safety partnership and [Pathways](#), work together to address issues such as homelessness, rough sleeping, begging and anti-social behaviour.

The organisations work to provide help and support to people who experience a combination of related issues such as homelessness, rough sleeping, addiction, and poor mental and physical health. This support can include financial assistance, housing support and help for people to access accommodation where needed. Support is also available to help them break the cycle of homelessness, rough sleeping or begging and to address addictions and mental health issues so they recover and stabilise their lives.

Now the PSPO is in place members of the community will see an increased high visibility presence within the town centre as officers and support staff conduct patrols, engage with the community, provide support and help to those who are homeless or rough sleeping and deter anti-social behaviour.

The Public Spaces Protection Order:
