Question submitted by James Allsop;

Given the current climate crisis does the Council still feel its support, promotion and financial assistance for a development at Peak resort in Unstone that so many oppose, and that if successful, despite multiple failures over multiple decades will generate pollution, congestion and disruption for the residents is appropriate when none of the proclaimed thousands of jobs have been created and when so many other potential backers have pulled out of some of the other schemes proposed on this site?

Question submitted by Chris Allsop;

Will there be new environmental studies done on the land and air pollution as if the project goes ahead and we end up with a carpark what penalties/ consequences will there be for the developer and/or the Council that has passed the planning if the environment suffers in any way?
