FOR PUBLIC REPORTS:

1.0 PURPOSE OF REPORT

1.1 To enable the Cabinet Member for Governance to consider proposed amendments to the list of outside bodies and to the appointment of Members as representatives on outside bodies for 2015/16.

2.0 BACKGROUND

2.1 There are a number of organisations and bodies that members of the Council are appointed to as representatives of the Council.

2.2 Following receipt of nominations from the Labour Group and the Liberal Democrats Group, appointment of representatives for 2015/16 was approved by the Cabinet Member for Governance on 7 July, 2015.

2.3 Notification of an amendment to the nominations has recently been received from the Labour Group, namely for Councillor Mick Wall to

replace Councillor Anthony Hill on the Council Joint Consultative Committee.

- 2.4 Notification has also been received that the Avenue Community Representatives Group has ceased to exist, and it is therefore proposed to delete this organisation from the list of outside bodies and to delete Councillor Amanda Serjeant as the Council's representative on this body.
- 2.5 The attached document, showing all the outside bodies and organisations and the Council's appointed representatives, has been updated to include these two proposed amendments.
- 2.6 Once approved these amendments to the list of outside bodies and appointed representatives will be updated on the Council's website.

3.0 RECOMMENDATION

- 3.1 That the revised schedule of outside bodies and appointment of representatives to these outside bodies, attached at Appendix A to the report, be approved.

4.0 REASON FOR RECOMMENDATION

- 4.1 To enable the list of outside bodies and appointment of the Council's representatives on outside bodies for 2015/16 to be updated.
