<b>23</b>	<p><b><u>APOLOGIES FOR ABSENCE</u></b></p> <p>Apologies for absence we're received from Councillor Ray Catt, Councillor Jean Innes, Phil Mallender, Councillor Shirley Niblock, Councillor Andy Slack, Maria Slack and Robert Wilkes.</p>	
<b>24</b>	<p><b><u>FORMAT OF MEETING</u></b></p> <p>The Chair briefed the committee on the changes to be made to the format of the meetings in order to address concerns; the changes had been discussed at meetings of the Joint Chairs and included:</p> <ul style="list-style-type: none"> <li>• Service Manager's reports to show a more realistic picture of Health and Safety in their service area.</li> <li>• Report authors to refrain from presenting their reports to the committee in detail and only pick out key notable issues or achievements.</li> <li>• The need for the committee to contribute towards making a difference on the ground through supporting tough action and being more pro-active.</li> <li>• To focus more on the health of employees, e.g. stress, injury.</li> </ul> <p>The Elected Members, Employee Representatives and Officers supported the changes.</p>	

<b>25</b>	<p><b><u>MINUTES OF THE MEETING HELD ON 21 JANUARY, 2016</u></b></p> <p>Minutes of the Meeting held on 21 January, 2016 were approved as a correct record and signed by the Joint Chairs.</p>	
<b>26</b>	<p><b><u>MATTERS ARISING FROM MINUTES OF PREVIOUS MEETING</u></b></p> <p>Minute no. 20, Andy Fowler noted that he had not been invited to a meeting of the Asbestos Management Steering Group. It was confirmed that he would be invited to the next meeting and an additional pre-meet would be arranged.</p>	A. CRAIG
<b>27</b>	<p><b><u>WORKSHOP UPDATE</u></b></p> <p>Ian Clay provided an update on the Contractor Management workshop. The following points were discussed:</p> <ul style="list-style-type: none"> <li>• The Committee raised concerns that contractors were not being inputted onto the Contractor Performance Register.</li> <li>• Kier may be using their own contractor system but it was not being monitored by CBC, putting all contractors on to a shared register would be looked into.</li> <li>• Employees needed to be spotting contractors out on the job and checking if they are on the register.</li> <li>• A simple way of pulling all the contractor data together into a central database would be investigated to solve the ongoing issues with having separate systems.</li> <li>• An urgent meeting would be arranged with the people who administer the different databases.</li> <li>• A Health and Safety representative from Kier and Arvato needed to attend the CH&amp;SC meetings.</li> </ul>	<p>ALL</p> <p>MJ/KIER</p> <p>ALL</p> <p>MJ</p> <p>MJ</p> <p>KIER/ ARVATO</p>
<b>28</b>	<p><b><u>THEMED WORKSHOP</u></b></p> <p>Marc Jasinski, Corporate Health and Safety Adviser, presented a workshop on Incident Reporting and Investigation Procedures. A video and three short clips were shown to highlight the importance of following safety procedures. Some of the key points raised were:</p> <ul style="list-style-type: none"> <li>• The importance of ensuring that toolbox talks are carried out.</li> <li>• Raising employees' awareness of risk assessments and making sure they are read before carrying out the tasks.</li> <li>• All incidents should be fully investigated at an early stage</li> </ul>	SERVICE MANAGERS

	<p>with the incident being reported to the correct person.</p> <ul style="list-style-type: none"> <li>• The need for a firm directive where there is a requirement for safety equipment to be used/worn.</li> <li>• More training required on risk assessments, incident reporting and investigating – to be looked at with the possibility of creating mandatory training.</li> </ul>	<p>ALL</p> <p>SERVICE MANAGERS</p> <p>ALL/MJ</p>
29	<p><b><u>OCCUPATIONAL HEALTH AND SAFETY IMPROVEMENT PROGRAMME</u></b></p> <p><b><u>Corporate Health and Safety Improvement Programme 2015-18</u></b></p> <p>Performance was considered against the 14 key targets in the Improvement Programme at the end of the fourth quarter of the 2015/16 year as detailed in the report, with particular emphasis given to:</p> <ul style="list-style-type: none"> <li>• Training package on new contractor management procedures completed by the majority of Council officers.</li> <li>• 3 year corporate Health and Safety audit programme being prepared, the first audit to commence by the end of May 16.</li> <li>• The 2014/15 Health and Safety Opinion survey had identified three key areas needing improvement: accident performance, barriers to safety and supervision.</li> <li>• Slip, trip and fall risks and manual handling risks continue to be the biggest cause of non-fatal injury accidents; further action was needed to reduce such incidents.</li> <li>• The figure for accidents being reported had reduced but not as much as anticipated – OHSIG may re-look at the target.</li> <li>• The biggest causes of work related absences continued to be mental health and musculoskeletal issues; these remained as two areas for immediate action.</li> </ul> <p>The Unions felt that some of the targets that had not been met were represented inaccurately in the report and could be seen as misleading.</p> <p><b><u>Housing – Business Planning and Strategy and Customer Services Division</u></b></p> <p>The Housing Manager submitted a report on the progress of health and safety management highlighting:</p> <ul style="list-style-type: none"> <li>• Fobs using the Skyguard tracking system had been introduced from 1<sup>st</sup> April for all Neighbourhoods staff involved in remote working.</li> <li>• Annual Review/Audit of Legionella had taken place and</li> </ul>	<p>ALL</p> <p>KB</p> <p>ALL</p> <p>ALL</p> <p>ALL/OHSIG</p> <p>ALL</p>
