CHE/19/00420/TPO  TPO 4901.137  21/08/19	The pruning of one Oak tree reference T2 on the Order map for Mrs Riley of 10 Dorothy Vale, Ashgate. The tree is located in the rear garden of 17 Hucknall Avenue and overhangs the rear garden on 10 Dorothy Vale.	Consent is refused to the crown reduction of one Oak tree as this would reduce its visual amenity and is unnecessary when there are other pruning options available.  Consent is granted to the crown lifting of the tree by 4 metres and the crown thinning by 25%.
CHE/19/00454/TPO  TPO 4901.137  21/08/19	The pruning of one Oak tree reference T1 on the Order map for Mrs Marper of 14 Dorothy Vale, Ashgate. The tree is located in the rear garden of 21 Hucknall Avenue and overhangs the rear garden on 14 Dorothy Vale. CHE/19/00463/TPO  TPO 4901.51  02/09/19	The crown reduction of two Lawson Cypress trees reference T9 & T10 on the Order map for Mrs Wagstaffe of 11 Westfield Close, Brampton.	Consent is refused to the crown reduction of two trees by 12 metres which would leave a standing tree of just 4-6 metres in height. This would drastically reduce their amenity value as they could no longer be seen from a public space and the reshaping of the tree made impossible due to the severity of the reduction leaving the trees with a flat top.

CHE/19/00522/TPO TPO 4901.262 04/09/19	The coppicing of 5 Willow trees within W1 on the Order map for Miss Ward on land adjacent to 7 Marine Drive, Piccadilly.	Consent is granted to the coppicing of 5 Willow trees down to ground level which will then provide a woodland habitat and remove these potentially large trees on the boundary of the property.
CHE/19/00480/TPO TPO 4901.347 04/09/19	The felling of two Ash trees and the crown reduction of four Ash trees within G1 on the Order map for Mr Walters of Oldfield Farm, Wetlands Lane, Brimington.	Consent is refused to the felling of two Ash trees and heavy crown reduction by 10 metres of four Ash trees because there is no justification for the works. No reasons stated on the application and no tree report submitted to justify the proposed felling and crown reductions.  Consent is granted to the reduction of branches around the telephone wires and the removal of major dead wood.

Consent is granted to the reduction of branches growing towards 4 & 6 Wateringbury Grove to clear the branches overhanging the rear gardens.
CHE/19/00488/TPO TPO 4901.160 11/09/19	The felling of two Yew trees and the pruning of two Yew trees within G2 on the Order map for Mr Kirby of 96 Mansfield Road, Hasland.	Consent is granted to the felling of two Yew trees within the group because they have poor visual amenity and their removal will enhance and make the two remaining trees more visible. Consent is also granted to crown lift the two remaining Yew trees by 2.5 metres from ground level.
