M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Chesterfield Borough Council will promote and coordinate events taking place within the Market Place and New Square.

Chesterfield Borough Council may also permit third parties including other event/function/catering operators to conduct licensable activities within the Market Place and New Square under the terms of this licence.

Where the venue is leased or hired out to a third party and

- such agreement includes the performance of licensable activities authorised under the terms of this premises licence
- and no Chesterfield Borough Council staff responsible for the premises licence will be on site for the duration of the event nor have control of the event

then the premises licence holder or venue manager will complete a written agreement with the third party wherein the third party acknowledges

- the scope and limitations of the licence
- and any conditions they must adhere to, including the restrictions within the premises licence.

b) The prevention of crime and disorder

Local Authority Staff or SIA licensed security staff will be deployed on the Market Place and New Square on a risk assessed basis.

Risk assessments will be retained by Chesterfield Borough Council for a period of 3 years and made available on request to an Officer of a Responsible Authority.

Local authority CCTV is installed on the Market Place and New Square. Images will be retained for a period of 28 days and will be made available on request to an Officer of a Responsible Authority.

Drinks will be served in plastic or polycarbonate drinking vessels. Where glass bottles are purchased, the contents will be decanted into plastic or polycarbonate drinking vessels for consumption.

The Premises Licence Holder or venue manager shall implement and maintain a suitable and sufficient written drugs policy in consultation with Chesterfield Borough Council Licensing and Derbyshire Constabulary Licensing. This condition will be included in any third-party contract agreement.

c) Public safety

Relevant Health & Safety Legislation, Fire Legislation and any Local Authority Health & Safety Policies will be complied with.

d) The prevention of public nuisance

The Designated Premises Supervisor (or authorised deputy) will take all reasonable steps to encourage members of the public to leave the premises quietly and will display signage to promote the objective.

The Designated Premises Supervisor or nominated representative shall ensure that staff will monitor the noise levels on events and report any issues or concerns to the duty manager or senior member of staff on duty.

Refuse and glassware to be transferred to external bins only between 09.00 am and 11.00 pm.

e) The protection of children from harm

- Any staff or employees involved in the sale and supply of alcohol will be provided with training on the law relating to all age restricted products sold and any system or procedures in place which they are expected to follow. This training will be provided by the user of the premises licence prior to working at the venue and will be refreshed should the training have been provided more than six months previously.
- Records detailing the training provided will be retained for a minimum of two years by the user of the premises licence and made available on request to an Officer of a Responsible Authority.
- A Challenge 25 Scheme will be operated at the premises. Acceptable forms of identification will be PASS accredited proof of age card, photo driving licence or passport. Failure to produce satisfactory proof of age will result in a refused sale.
- Clear prominent signage informing customers of the scheme will be displayed on site.
- A refusal log will be maintained at the point of sale which the user of the premises licence will examine and action as necessary. The records will be retained for a minimum of two years (either on the premises or at Head Office) and made available to an Officer of a Responsible Authority on request.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
