

	<i>by March 2015</i>			the lights in the area. Prolific graffiti artist has been identified and charged with over 12 offences on the Town Centre there has also been a CBO applied for to prevent further offending. Creating and implementing a Park Guardian Scheme to combat ASB and criminal damage in Queens Park and if model suitable Eastwood Park.	
4. Criminal Damage	Ensure the continued development and delivery of 'value added' support to the Night Time Economy. <i>Target 3% reduction by March 2015</i>	<ul style="list-style-type: none"> • Reduce criminal damage on Town Centre during the night time economy. • Expand the membership of Chesterfield Pubwatch by 20% 	Park Guardians Meredith Ezard Dave Harrison	Dianne Illsley Jane Randell John Turner Russell Dakin	*A team of dedicated Special Constables are to be selected to form a unit to be known as the "Early Intervention team" that will offer operational support to night time economy officer and Operation Sidekick and will directly address acts of anti-social behaviour, urination and criminal damage by identifying potential offenders at an early stage in the evening before alcohol aggravates/increases the likelihood of ASB or damage occurring. Dispersal tactics and arrests will take place at an early stage in the evenings to identify potential offenders and reduce the opportunity to commit crime/ASB (RD)
5. Acquisitive Crime	To Develop and promote victim focussed target hardening response and community awareness to instances of theft from vehicle. <i>Target 3.5% reduction in theft</i>	<ul style="list-style-type: none"> • Target areas of high offending by education and co-ordinated patrols in area. • Monitor high incident areas and deliver advice packs to local residents, time with commencement of dark nights. 	Dave Harrison Russ Dakin Dianne Illsley		*Special Constables as well as SNT members will participate in community engagement patrols and events and will implement the vulnerable vehicle scheme, visit residents to offer up crime prevention/target hardening advice and hand out literature/prevention packages to educate/encourage residents to take pre-emptive actions to prevent/reduce the opportunities for crimes to occur. (RD) * Vehicle insecurities are crimes which can be avoided - again, strong media messages are delivered across all local communities to alert the public as to basic precautionary steps that should

	<i>from vehicle offences.</i>			be taken to avoid such crimes occurring ,At public meetings officers continue to educate attendees and enforce the message by giving examples of attacks upon vehicles whereby property has been left on display and the vehicle insecure.(RD)
6. Acquisitive Crime	<p>Improve the resilience to shoplifting offences at Supermarket Retail Outlets.</p> <p><i>Target 5%reduction in key hotspot retail outlets.</i></p>	<p>To work closely with moving forward shoplifting group and support groups objectives. Work with outlets to prevent theft and advice around target hardening.</p> <p>Working with Chamber of Commerce to improve membership to Shopwatch in the Chesterfield area.</p>	<p>Dave Harrison Dianne Illsley John Turner</p>	<p>Retail survey has been conducted at TESCO'S Extra. The new store manager is working closely with the partnership to reduce and prevent instances of shoplifting. Eight new security staff have been employed at the premises.</p> <p>Working with Chamber of Commerce to improve membership to Shopwatch in the Chesterfield area.</p>
7. Acquisitive Crime	<p>Reduce levels of serious acquisitive crime by <i>3.5%</i> by March 2015</p>	<p>Part of objective 5 in Moving forward projects. Also look at prevention and education.</p>	<p>Russell Dakin</p>	<p>*Residents will be offered a bespoke crime prevention visit by a CRO arising from community engagement activities undertaken by SNT staff and Special Constables – we aim to identify vulnerable residents at risk of being “cold called” by rouge traders and will undertake to implement the First Contact service where elderly residents who live alone would benefit from some support. Potential and actual seasonal crime trends as detailed on the divisional crime calendar will ensure that vulnerabilities and risks around insecure properties, motor vehicles etc are addressed by a strong media approach and structured community engagement activities.(RD)</p> <p>Budget announcements to be made in January 2015</p>

<p>8. Violent crime</p>	<p>Reduce levels of Assault with less serious injury by 3.5% by March 2015.</p>	<p>Chesterfield Borough</p>	<p>Jane Randell John Turner Street Pastors. Russell Dakin</p>	<p>Expand use of Pubwatch in town centre and other outlining areas of the borough. Chatsworth Road due to go live 3rd December 14</p> <p>Implementation of the “Early Intervention Team” staffed by Special Constables.(RD)</p> <p>Pro-active deployment of the mobile police station across the night time economy – now fitted with bespoke CCTV recording equipment(RD)</p> <p>Partnership working to be developed by having Special Constables accompany Street Pastors on patrol.(RD)</p> <p>Christmas breathalysing campaign, to educate drinkers in town centre about levels of alcohol consumed. Give appropriate advice about responsible drinking.</p>
<p>Other areas of work not identified on Partnership plan</p>	<p>CSP Staff to attend Chesterfield College</p>	<p>To distribute information around the use and danger of using legal highs. Partner agencies to attend giving advice and support information to students.</p>	<p>Dave Harrison Dianne Illsley Jane Randell</p>	<p>Partnership staff to attend the Fresher’s fair Sep 2014, Working with college security to prevent NSP onto college complex.</p>
