## **INTRODUCTION FROM COUNCILLOR SHARON BLANK, EXECUTIVE MEMBER FOR CUSTOMERS AND COMMUNITIES**

*Welcome to Chesterfield Borough's Community Assemblies Annual Report for 2014/2015. The report highlights the work we have been doing over the past year to promote the Community Assemblies and also the community development programme work that has taken place in Chesterfield Borough.*

*Community Assemblies are public meetings which we want the whole community to be part of. Together we want to create a successful partnership to help shape the future of our neighbourhoods.*

*Together we will:*

- *Assist communities to identify local issues and implement local solutions.*
- *Give a voice to communities via a wide range of methods.*
- *Build stronger more cohesive communities.*
- *Work to make Chesterfield Borough an excellent place to live, work, visit and learn.*
- *Encourage, inspire and enable people to be more active citizens.*

*We are proud of the achievements during the past year, and our continued promotion of Community Assemblies. We believe we are making a real difference to the quality of life of our residents.*

*We are particularly pleased to highlight and share with you within this report:*

- *the success of the Community Assembly meetings that took place during 2014/15;*
- *the relationship we have built with partner agencies and their commitment and attendance at the Community Assembly meetings;*
- *the development and introduction of Community Chairing at our Community Assemblies;*
- *the many groups that have been awarded funding from our Minor Grants Programme and Community Chest; and*
- *the new community development activity that has commenced in the Borough.*

**Councillor Sharon Blank**

## 1.0 COMMUNITY ASSEMBLY MEETINGS

For those of you not familiar with Community Assemblies here is background information about them.

1.1 There are four Community Assembly areas in Chesterfield Borough. Anyone who lives or works in each area is encouraged to get involved. The meetings take place four times a year (September, November, March and June). They are a chance for members of our community to attend meetings to:

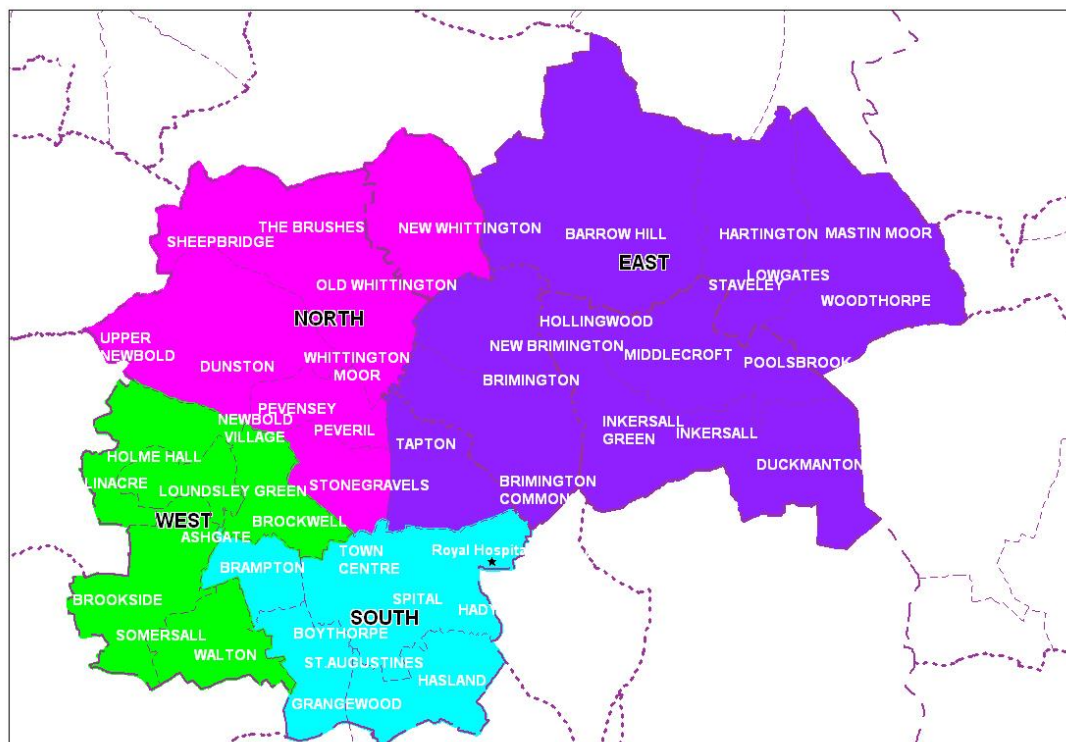

- Discuss and share what matters to them
- Work together to shape the future of their area
- Find out what is happening in their area
- Consider how funding available to their area is spent

**South Assembly** (Chesterfield Town Centre, Brampton, Boythorpe, St. Augustines, Grangewood, Hasland, Hady and Spital)

**East Assembly** (Tapton, Brimington, Brimington Common, Inkersall, Duckmanton, Poolsbrook, Middlecroft, Hollingwood, Barrow Hill, Hartington, Staveley, Lowgates, Mastin Moor and Woodthorpe)

**North Assembly** (Stonegravels, Peveril, Pevensey, Dunston, Upper Newbold, Whittington Moore, Old Whittington, New Whittington and Sheepbridge)

**West Assembly** (Walton, Somersall, Brookside, Ashgate, Loundsley Green, Linacre, Holme Hall, Newbold Village and Brockwell)

1.2 Attendance at the meetings (16 standard assembly meetings) varied during 2014/15. The highest attendance figure was 51 in the South at the June 2014 meeting and the lowest was 29 in the South for the March 2015 meeting. The average attendance figure for 2014/15 was 37 people.

1.3 Along with regular agenda items including updates and question and answer opportunities from partner agencies (DCC Public Health and Chesterfield Constabulary) and participatory budgeting items, during 2014/15 we held a number of activities, workshops and presentations at the assembly meetings including:

- Public Votes for the Chair/Vice Chair Positions for each Community Assembly
- Update from Scrutiny on their Work Programme
- Environmental Services – Community Litter Pick Campaign and Love Where You Live
- Presentation by Leisure on Keeping Chesterfield Active
- Chesterfield College on the services they provide at the college
- Environmental Services Presentation on Green Spaces, Street Cleaning, Waste and Recycling, Building Cleaning, Bereavement Services
- Derbyshire’s First Contact Scheme
- Housing Services – Getting Involved
- State of the Borough Presentation
- Council Tax Setting Discussion
- Priorities for Spend Exercise
- Q&A Session with Leader/Chief Executive and Chief Finance Officer
- Healthwatch Derbyshire
- Neighbourhood Watch
- Crime Reduction
- Update from Scrutiny on the Dog Fouling Project Review Group
- Update from Chesterfield College
- Derbyshire County Council’s Public Health – Small Grants Scheme
- Alan Charles, Police and Crime Commissioner for Derbyshire
- Hardyal Dhinda, Deputy Police and Crime Commission for Derbyshire

## **2.0 COMMUNITY CHAIRING**

2.1 When the Community Assemblies first started the meetings were chaired by Chesterfield Borough Council Heads of Service while preparations were made for the election of community chairs in June 2014.

2.2 In April 2014 we held briefing sessions on community chairing, provided training to anyone interested in potentially chairing assembly meetings in the future and/or wanted to gain confidence in chairing other community meetings. We welcomed applications for community chairing from residents within the particular assembly area they would serve, elected members for each area or statutory agency/third party employees with a strong link to the area.

- 2.3 Potential chairs and vice chairs were supported every step of the way to the June 2014 chair elections including assistance with their personal statements. Elections were held at the June 2014 assembly meetings and we are now proud to have eight enthusiastic new community chairs and vice chairs to help us to develop the assemblies further. Photos of our first Community Chairs/Vice-Chairs for the 2014/15 period can be found at Appendix 'A'.
- 2.4 The Policy Team have worked closely with the Chairs and Vice-Chairs during their first year of office and have built up an excellent working relationship with them all. We are extremely proud of how well they have handled all the meetings and the good rapport they have developed with the attendees at each meeting.
- 2.5 The Chairs have been excellent at controlling the meetings – sticking to the agenda and time limits, ensuring full participation of all who attend. They have always been very approachable and acted impartially at all times.
- 2.6 Elections for our 2015/16 Chairs will take place during the first two weeks of June.
- 2.7 A meeting was held with the Chairs and Vice-Chairs to look at what has gone well, what could have been improved, lessons learned etc. Details of findings can be found here:

### **3.0 SOCIAL MEDIA**

- 3.1 The Community Assemblies have a slowly growing social media presence. People who are unable to attend the meetings and/or who want regular updates in-between the meetings can access both our Twitter and Facebook pages. We currently have 133 Twitter followers and 45 likes/friends on Facebook.

### **4.0 OUR PARTNERS**

- 4.1 Something we are particularly proud of is the relationship we have built up with internal and external partners whilst working on Community Assemblies and the wider community development programme. Joint working between us

all has developed very successfully over the past year and we are particularly pleased to report continued support.

- 4.2 It is always pleasing to have police presence at our meetings and that usually comes in the form of a Police Inspector from 'C' Division who attends to update the meeting on local police matters and statistics. He regularly asks local PCSOs, PC's and sergeants to attend to give an overview of crime and anti-social behaviour in each area and answer questions and action concerns. The Inspector also organises special presenters to attend some of the meetings.
- 4.3 We are also grateful for the support of Derbyshire County Council (Public Health). They have allocated three of their officers to work with the assemblies to promote health and wellbeing in our Borough. They also update members of the public on local health matters and the County's Locality Plan at each meeting.
- 4.4 Chesterfield College have also effectively engaged with assemblies and send an Engagement Officer to each community assembly meeting and provide two-way feedback to the college and its students. We are particularly pleased that work with the college just doesn't end with Community Assemblies and that we work with them on other projects at the college and in the community throughout the year.
- 4.5 Support from other services at Chesterfield Borough Council has also been favourable with visits from Leisure, Environmental and Housing services as well as Scrutiny.
- 4.4 During 2014/15 our partners have made a fantastic contribution to our assemblies and we look forward to lots of joint working in the future and to be able to develop relationships further.
