Record of Decision	<p>That the application for a Premises Licence in respect of Bar Centro, 5 Holywell Street, Chesterfield be refused for the following reasons –</p> <ul style="list-style-type: none"> • The Licensing Authority had adopted a Special Licensing Policy in 2012 in relation to part of the town centre, including Holywell Street, which created a rebuttable presumption that any new application for a licence would be refused. • The Committee carefully considered the application on its own merits but had to have regard to the fact that the Special Licensing Policy applied in this case and also had regard to (because of the proximity of time and the persons involved in the application and the nature of the premises) what had happened previously at the premises. • The Committee felt that the Applicant, who was a Business partner in Bar Centro before its licence was revoked earlier this year, and the proposed Designated Premises Supervisor, who had previously been the Operations Manager at the Bar Centro, had not demonstrated with sufficient confidence, having had regard to the representations made by the Police, the Licensing Authority and local residents, that sufficient steps would be in place and properly managed, to ensure the promotion of the licensing objectives relating to the prevention of crime and

	disorder and public nuisance.
