HASLAND) TREE PRESERVATION ORDER NO. 336, 2015**

The Planning Officer, Trees, submitted a report to inform the Sub-Committee of an objection which had been received to the above Order.

The Planning Officer advised that since the original order had been made a further site visit had been carried to plot the trees using a Global Positioning System (GPS). As a result it was noted that two trees reference T26 Horsechestnut and T27 Oak were not in the exact locations

as shown on the site plan included in the Tree Preservation Order. A new site plan showing their exact locations was included in the report.

That the objection be overruled and the Order be confirmed as modified to include a revised site plan showing the exact locations of T26 Horsechestnut and T27 Oak.
