Title Reference: Application for discretionary rate relief - Nottingham Community Housing Association	
Key Decision: No	Delegation Reference: HC100L
Report and Background papers	Exempt
Record of Decision:  That application for discretionary rate relief be refused.	
Reasons for Decision:  It appears that the organisation should be classed as a "community organisation" which does not attract discretionary rate relief under the council's policy. Although there is no definition of a "community association" within the policy, the way in which other housing associations have been treated (they have not been awarded the 20% discretionary relief where they are entitled to the 80% mandatory relief) would indicate housing associations should be regarded in this way.
