Question submitted by Jim Marriott;

There is a tremendous amount of speeding in Hasland, which I witness all the time. I was walking with my dog up from my daughter's house on Ashfield Road, at 7.30pm on 31<sup>st</sup> January. When I was opposite the Hasland Hotel, a car came up from Calow at a speed I estimated at in excess of 60mph. It was a young man driving and he did not slow down until he was nearly at the Mansfield Road lights.

The speed bumps on Hasland Road do nothing to slow anyone down. There need to be similar arresters as those on Redvers Buller Road, no one speeds on there. They are particularly required on Calow Lane. The ones on Redvers Buller Road were installed, if my memory serves me correctly, after a child was killed. Let's not wait for that, it will happen on Calow Lane! What can be done to ensure that a serious incident is prevented?

To consider the motion submitted by Councillor Serjeant in accordance with Standing Order No. 21:

### **Motion to Adopt the All-Party Parliamentary Group Definition of Islamophobia**

That Chesterfield Borough Council believes racism in all its forms is unacceptable and must be stamped out. Recent high profile cases have shown that islamophobia is still rife in areas where young people often look for role models such as in the world of sport. It is, therefore, proposed that this Council adopts the All-Party Parliamentary Group on British Muslims' definition of Islamophobia -

"Islamophobia is rooted in racism and is a type of racism that targets expressions of Muslimness or perceived Muslimness."-

to demonstrate solidarity with our Muslim communities and to assist the Council in furthering aim of putting our Communities First and improving the lives of the people of Chesterfield.

By order of the Council,
