Schedule of Events

At meetings of the Violence, Alcohol Harm and Licensing Group (VAL) concerns were raised regarding the management and operation of the Red Lion. As a result a multi-agency visit attended by the Police, Derbyshire Fire & Rescue Service and CBC Health & Safety was arranged with the premise licence holder Mark Anglesea on 23rd July 2015.

During the inspection of the premise a number of health and safety concerns were discussed with the premise licence holder Mark Anglesea some of which required immediate attention. Mr Anglesea was unable to provide me with any health and safety documentation other than a cleaning schedule which was not being followed and he could not give me access to the cellar, disabled toilet or the rear ground floor rooms to the premise as he stated he did not have any keys. I took photographs of matters of concern identified during my inspection *(Please refer to Appendix A)*.

It was noted at the time of this visit that Mr Anglesea had also failed to register with Chesterfield Borough Council as a food business operator as required by Food Safety Act (as amended) 1990.

Mr Anglesea agreed to bring his health and safety documentation to the Town Hall on 24th July 2015 however he failed to do this.

A re-visit was arranged for the multi-agency team to attend the premise and meet Mr Anglesea with the keys to be able to access all areas of the premise on 27th July 2015. Mr Anglesea failed to attend this meeting. I spoke to Mr Anglesea on the phone whilst waiting outside the venue and he informed me he had a water leak at home and said he would bring his paperwork into the Town Hall on 28th July 2015. I took photographs of matters of concern seen in the beer garden/smoking area at the rear of the premise *(Please refer to Appendix B)*.

A letter was sent to Mr Anglesea on 27th July 2015 requesting he contact me to make arrangements for me to re-visit his premise and reminding him to provide me with his paperwork *(Please refer to Appendix C)*.

Mr Anglesea failed to provide his paperwork on this occasion as well and he did not contact me to make arrangements to revisit the premise.

On 28th July 2015 I sent a letter to Mr Anglesea detailing the more serious health and safety issues identified during my inspection of the premise on 23rd July 2015 *(Please refer to Appendix D)*.

The condition of the flooring in the public areas of the premise and behind the bar presented a significant risk of slips, trips and falls to both employees and members of the public and so health and safety improvement notices were served on Mr Anglesea at the Red Lion *(Please refer to Appendix E)* and also his home address *(Please refer to Appendix F)* by recorded delivery. The Improvement Notices required repairs to be carried out on the flooring by 27th August 2015.
