Dear Steve,

Application for a premises licence – Chesterfield Off-Licence, 9 Cavendish Street, Chesterfield.

On behalf of Chesterfield Borough Council, a responsible authority under the Licensing Act 2003, I would like to make a representation with regard to the above application.

Cavendish Street is in the cumulative impact area as designated by Chesterfield Borough Council in its Statement of Licensing Policy. As such there is a rebuttable presumption that a new application relating to premises in the designated area will be refused if objections are received from Responsible Authorities and/or Interested Parties. Applicants for licences or certificates will need to demonstrate that they will not add to the problems in the designated area.

It is my contention that the opening hours requested will add to crime and disorder and I see nothing in operating schedule that was submitted with the application to alleviate that threat. I would be reassured by a closing time of midnight as the dynamics of the night time economy are significantly different at that earlier time.

Yours sincerely,

Trevor Durham
 Licensing Manager
