DVSA Taxi Driver Assessments

DVSA (and previously DSA) have been conducting Taxi Driver Assessments for participating Local Authorities since 1999. Demand has increased over the years, with a throughput in 2015-16 of approximately 23,000 and a forecast of 28,000 for the business year 2017-18.

These assessments now require considerable examiner resource, at a time when the demand for statutory tests is at an all-time high. The Agency is under pressure to reduce car test waiting times and in order to achieve this, we need to prioritise our activities.

Regrettably, a decision has been made to withdraw the provision of Taxi Assessments with effect from 31 December 2016. We understand that this will be a disappointment and inconvenience to those Local Authorities who currently require their taxi drivers to pass the DVSA assessment.

The Agency also recognises the road safety benefits of such an assessment; therefore, we would point out that there are potential providers such as road safety charities and Driving Instructor representative bodies, who may be interested in providing an alternative service. Details of these organisations can be easily obtained by submitting a general internet search.

Yours faithfully
