2. Introduction

In October 2017, Dog Control Orders will be replaced by Public Space Protection Orders (PSPOs). Chesterfield Borough Council has a number of existing Dog Control Orders which we would like to continue to enforce, by including them in the PSPO. In addition, we would like to introduce some new requirements which will help us to deal with dog fouling and problematic dog behaviour.

This report present the findings of a public consultation questionnaire which was open from 26/09/2016 to 4/11/16.
