Q1 - What is the aim of your policy or new service?

To set out the Council's policy in relation to the pay and remuneration for Chief Officers in accordance with Section 38 (1) of the Localism Act 2011 and the Local Government Transparency Code. The aim of developing and publishing this policy is to provide transparency to the remuneration packages for Chief Officers and explain the rationale for the pay and grading of Chief Officers. The term Chief Officers refers to the Chief Executive, Executive Directors and Director of Finance and Resources.

Q2 - Who is the policy or service going to benefit?

The policy is not going to benefit any specific group, however, ensuring transparency to the remuneration packages for Chief Officers should benefit employees and the wider public.

Q3 - Thinking about each group below, does, or could the policy, project, service, function or strategy have an impact on protected characteristics below? You may also need to think about sub groups within each characteristic e.g. older women, younger men, disabled women etc.

Please tick the appropriate columns for each group.

Q4 - Should a full EIA be completed for this policy, project, service, function or strategy?

Yes

No

Q5 - Reasons for this decision:

Whilst this policy sets out the principles which underpin the council's pay policy for the whole of the workforce, the key purpose is to publicise how the council reaches its decision on the pay of Chief Officers and any other benefits. It is a requirement of the Localism Act 2011 that the pay policy statement is approved by full council and published by 31 March 2018

Please e-mail this form to the Policy Service before moving this work forward so that we can confirm that either a full EIA is not needed or offer you further advice and support should a full EIA be necessary.
