### ANNEX 2 - CONDITIONS CONSISTENT WITH THE OPERATING SCHEDULE

The following text is from the Operating Schedule

#### General - All Four Licensing Objectives

See below.

#### Prevention of Crime and Disorder

All bar staff will be fully trained to minimise the risk of the sale of alcohol to persons under 18, in responsible drinking policies and drugs surveillance awareness.

The managers will follow and comply with national guidance and implement policies such as the code of practice produced by the Portman Group to promote socially responsible drinking.

CCTV cameras will be positioned inside and outside the premises.

The CCTV cameras will be maintained in good working order with the provision of suitable practical training for staff.

The number of cameras, their positions and the method and duration of recordings (with a minimum of 28 days recording retained) will be in accordance with the recommendations of the Business Crime Prevention Officer.

The premises will contain appropriate signage and crime prevention notices and will carry out appropriate risk assessments as are required from time to time including where appropriate risk assessment to determine the necessity for door supervisors.

#### Public Safety

All staff will be trained in fire escape procedures and the building will fully comply with building regulations.

Recommended capacity limits will be adhered to.

All health and safety at work, fire precautions and other relevant legislation will be complied with.

All equipment will be adequately maintained and tested at regular intervals and staff will be trained to recognise and minimise risks associated with drugs misuse.

#### Prevention of Public Nuisance

Music will be controlled so as to prevent noise and vibration escaping from the premises including adequate sound proofing.

Licensing Act 2003

## Premises Licence

### ANNEXES continued ...

The sound level of music will be controlled so as to prevent it being audible outside the premises or in the case of outdoor events to be inaudible off the site.

The sitting and design of kitchen extraction and ventilation systems will be such as to minimise noise and vibration escaping from the premises.

### Protection of Children from Harm

Full training is provided to staff on commencement of employment on relevant current legislation and any system or procedures they are expected to follow in the course of their working capacity.

Refresher training should be provided at regular intervals (at least 6 monthly).

Records detailing the training provided will be kept on the premises for a minimum of 2 years for production, on request, to a Constable or an authorised officer of a Responsible Authority.
