

**SECTION 1****APPLICATION TO FELL OR PRUNE TREES**

<b><u>CODE NO</u></b>	<b><u>DESCRIPTION OF PROPOSAL</u></b>	<b><u>TERMS OF DECISION</u></b>
CHE/19/00312/TPO TPO 4901.67 27/06/19	The felling of one Oak tree reference T9 on the order map for Mr Brough of 37 Bentham Road. The tree is allegedly causing light issues, dropping debris and structural damage.	Consent is refused to the felling of one Oak tree because no supporting evidence was submitted with the application to support the alleged structural damage and pruning works to the tree will alleviate the light and debris issues. It was also advised that the neighbouring conifer hedge is reduced in height to allow more light into the garden.
CHE/19/00328/TPO TPO 4901.203 01/07/19	The felling of one Apple tree and the pruning of 5 Hawthorns, 3 Alder, and a small group of Elder tree within W1 on the order map for Mrs Lisa Such of 10 Staunton Close. The trees are allegedly causing light issues and the Apple tree is leaning towards the property.	<p>Consent is refused to the crown reduction of two Alder trees and 3 Hawthorn trees as the works are considered to be unnecessary and would do little if anything to increase light levels as there are other trees along this river corridor.</p> <p>Consent is granted to the crown lifting and crown thinning of trees to allow more light to filter through the canopy and the coppicing of a small group of Elder trees.</p> <p>Consent is also granted to the felling of one Apple tree with a replacement native fruit</p>

		tree such as Hazel, Wild Cherry or Sloe Berry to be planted as the replacement tree in the next available planting season after felling.
CHE/19/00333/TPO TPO 4901.191 01/07/19	The pruning of one Ash tree reference T3 on the Order Map for AA Tree Services on behalf of Mrs Roland of 15 Woodland Walk, Holmehall. The tree has one competing stem with a poor union at the base.	Consent is granted to the removal of the competing stem and the re-shaping of the tree by a maximum of 2-3 metres to the side branches.
CHE/19/00338/TPO TPO 4901.227 03/07/19	The pruning of one Sycamore tree reference T2 and one Ash tree reference T3 on the Order Map for Mr Andy Turner of 98 Boythorpe Road.	Consent is granted to the crown thinning of both trees to allow more light to enter the property and the reduction of branches on T2 Sycamore to reshape the crown and on T3 Ash to clear the property by 2 metres.
CHE/19/00370/TPO TPO 4901.34 04/07/19	The pruning of one Ash tree reference T43 on the Order Map for Mr Fearnough of 8 Lancaster Road, Newbold.	Consent is granted to the re-pollarding of one Ash tree back to previous pollarding points or to sound wood reducing the tree by 35% in height.
CHE/19/00381/TPO TPO 4901.215 04/07/19	The felling of one Horsechestnut tree reference T20 on the Order map for Mr Edward Fletcher of 5 Old Sycamore Place, Stonegravels. The tree allegedly has no amenity value and has decay at the base and bleeding canker on the main stem.	Consent is granted to the felling of one Horse chestnut tree due to little if any amenity value. The tree was reduced in size previously due to its poor condition but its location in the rear garden means that the tree cannot now be seen except by the new owner of the property. The tree is also

		<p>suffering from bleeding canker and decay at the base.</p> <p>The duty to plant a replacement tree has been dispensed with on this occasion due to insufficient room and no suitable planting location.</p>
