Dear Alastair and Kate Weller,

Thank you for the email supporting Tree Preservation Order 351 Langhurst Road.

The Council have 6 months from making to Order to decide whether to confirm the Order, confirm with modifications or decide not to confirm the Order as made.

An objection has been made to the Order so unless this is withdrawn the Provisional Order will go to Planning Sub Committee and your support for the Order taken into consideration when making a decision.

A date for the committee meeting has not yet been arranged but in my view the trees in this woodland warrant a Preservation Order so unless anything changes I will be presenting a case to Committee that the Order is confirmed as made with no modifications.

If you require any further information please do not hesitate to contact me.

Regards

Steve Perry

Dear Mr Rodgers

I am writing in support of the Langhurst Road Tree Preservation Order, No. 351, 2020, file reference D3495.

We have recently moved to 169 Ashgate Road and the trees are a beautiful part of the local landscape and form a lovely environment to live in, and to walk in.

We do hope that the decision will be taken to confirm the Order and give it permanent effect.

Could I please ask for confirmation of receipt of this email.

Yours sincerely

Alastair and Kate Weller
