

**SECTION 1****APPLICATION TO FELL OR PRUNE TREES**

<b><u>CODE NO</u></b>	<b><u>DESCRIPTION OF PROPOSAL</u></b>	<b><u>TERMS OF DECISION</u></b>
CHE/20/00821/TPO TPO 4901.304 17/12/20	The pruning of 14 London Plane trees reference T1-T14 on the Order map for Master Ground Services on behalf of Morrisons, Chatsworth Road, Brampton.	Consent is refused to crown reduce of T14 London Plane in height, but consent is granted to reduce branches growing towards the building to give a 2 metre clearance from the structure and clear one lighting head. Consent is also granted to dead wood and crown lift the 14 trees to clear the highway.
CHE/20/00803/TPO TPO 4901.244 17/12/20	The felling of one diseased and dangerous Ash tree within G1 on the Order map for Mr Paul Scragg on behalf of Norbriggs Primary School, Worksop Road, Mastin Moor.	Consent is granted to the felling of one Ash tree. The duty to plant a new tree has been dispensed with on this occasion due to no loss of amenity within the group of trees.
CHE/20/00747/TPO TPO 4901.159 18/12/20	The felling of one Silver Birch tree within G2 and the pruning of one Beech reference T18 on the order map for Ascent Tree Solutions for 668 Chatsworth Road.	Consent is granted to the felling one diseased and dangerous Birch tree within G2 with a condition to plant a new Birch tree in the next available planting season after felling.  Consent is refused to the crown reduction of one Beech tree as this will not solve the alleged light issues. Consent is however, granted to crown thin the tree and selectively

		prune branches growing towards the property which is a more acceptable operation to allow light to filter through the crown into the garden.
CHE/20/00871/TPOEXP TPO 4901.186  18/12/20	The felling of one dead/dangerous Poplar tree reference T2 on the Order map for Gary McCarthy on behalf of Chesterfield Borough Council Leisure Services at Land adjacent to 73 Hady Hill, Hady.	Consent is granted to the felling of one Poplar tree with a condition to plant one new Oak tree as near as is reasonably possible to the original tree.
CHE/20/00766/TPO  TPO 4901.335  21/12/20	The pruning of one Sycamore tree reference T1 on the order map for Valleyside Landscapes Ltd on behalf of Brampton Primary School, Brampton.	Consent is granted to the crown thinning of one Sycamore tree by 20% and to include the selective pruning of branches growing towards the property.
CHE/20/00817/TPO  TPO 4901.172  08 /01/21	The felling of 4 Pine trees reference T12, T14, T15 & T16 on the Order map for PRI Ltd on behalf of 406 Old Road, Ashgate. The trees are allegedly causing subsidence to the property.	Consent is refused to the felling of 4 Pine trees because insufficient information has been provided with the application. There is no evidence to support the claim that all the trees are causing the alleged damage. Level monitoring has been carried out although the datum point used may be unreliable and could give false readings. The Arboricultural report and recommendations are based on the Engineers report, however the Engineer report was produced after the Arb report so it is unclear how this could have been

		assessed when no information was available.
CHE/20/00842/TPO TPO 4901.56 08/01/21	The pruning of one Oak tree reference T3 on the order map for Derwent treescapes Ltd on behalf of 7 Newhaven Close, Walton.	Consent is granted to the crown lifting of one Oak tree to a maximum of 5 metres from ground level and the removal of dead wood.
CHE/20/00716/TPO TPO 4901.160 11/01/21	The felling of two trees reference T59 Copper Beech and T60 Lombardy Poplar on the Order map for Mr Hollingworth of 96 The Green, Hasland.	Consent is refused to the felling of T59 Beech because no supporting evidence has been provided to justify the trees removal.  Consent is granted to the felling of one Poplar tree reference T60 which is clearly causing damage to the driveway by lifting the tarmac along the trees rooting system and damaging the stone boundary wall. Although no structural report was provided with the application it is clear from the tree species, closeness to the wall and driveway and on-site observations that it is the tree causing the damage.
CHE/20/00809/TPO TPO 4901.69 11/01/21	The heavy pruning and crown thinning by 40% of one Oak tree reference T1 on the Order map for Acme Arb Ltd on behalf of 12 Harvest Way, Holmehall.	Consent is refused to the reduction of the crown by 40% and a crown thin by 40% because the works proposed are not good arboricultural practice and exceed the recommendations within BS3998 Tree Works 2010. The reduction of the tree by

		<p>40% would leave the tree unsightly and drastically reduce its amenity value. The tree was pruned less than 2 years ago and has only put on 1 metre of new growth which is clear of properties and open in structure.</p> <p>Consent is granted to remove dead wood and any new growth within the crown.</p>
<p>CHE/20/00854/TPO TPO 4901.15 13/01/21</p>	<p>The pruning of one Lime tree reference T12 on the Order map for Precision tree services on behalf of 1 Upland Rise, Walton.</p>	<p>Consent is granted to the crown reduction by a maximum of 3 metres pruning back to previous reduction points and leaving a well-balanced crown.</p>
<p>CHE/20/00815/TPO TPO 4901.7 14/01/21</p>	<p>The felling of 4 Pine trees within G2 on the Order map for PRI Ltd on behalf of 392 Ashgate Road, Ashgate. The trees are allegedly causing subsidence to the property.</p>	<p>Consent is refused to the felling of 4 Pine trees because insufficient information has been provided with the application and other trees where roots were found in the trial pits have not been assessed or recommended for removal.</p> <p>There is no evidence to support the claim that all the trees are causing the alleged damage. Level monitoring has been carried out and it appears the property may be settling. Leaking drains have been repaired but the results of this are unknown so should be assessed further.</p>

<u>CODE NO</u>	<u>DESCRIPTION OF PROPOSAL</u>	<u>TERMS OF DECISION</u>
<p>CHE/20/00819/TPO</p> <p>TPO 4901.309</p> <p>18/01/21</p>	<p>The felling of one Silver Birch and the pruning of one Willow and one Sycamore within G1 on the Order map for Ground Control Ltd on behalf of Tesco at Tesco's Express, Newbold Road.</p>	<p>Consent is refused to the felling of one Birch tree as no supporting information has been provided with the application. The tree is considered to be in a sound condition with no visible defects and contributes to the group as a whole unit and its amenity value.</p> <p>Consent is also refused to the removal of limbs overhanging the shed of the neighbouring property and the pollarding of one Willow tree when other more sympathetic pruning operations are available to alleviate the perceived problems.</p> <p>Consent is granted to crown reduce the Willow tree by a maximum of 4 metres back to previous reduction points, crown lift the tree to 5.2 metres and a light thin by 10% to remove some of the leaf density. Consent is also granted to crown lift the Sycamore tree to clear the low branches overhanging the shed.</p>
<p>CHE/20/00845/TPO</p>	<p>The pruning of one Oak tree reference T2</p>	<p>Consent is refused to the shortening of</p>

TPO 4901.4a 20/01/21	on the Order map for Mrs Cox of 55 Ardsley Road, Ashgate.	branches as the approved works to crown lift the tree to 3 metres from ground level would achieve the same results and consent was also granted to remove dead wood and epicormic growth.
CHE/21/00025/TPO TPO 4901.186 21/01/21	The felling of one Poplar tree which is in poor condition reference T3 on the Order map for Gary McCarthy on behalf of Chesterfield Borough Council. The tree is covered in Ivy and has been heavily pollarded in the past.	Consent is granted to remove the tree and plant a new Oak in the recreation ground near to the original tree.
CHE/20/00849/TPO TPO 4901.153 21/01/21	The pruning of five Oak trees within G1 on the Order map for Clarion Housing at 4 & 6 Ballidon Close, Loundsley Green.	Consent is granted to the crown lifting by 3 metres and the reduction of branches growing towards the properties to give a 2 metre clearance from the structures along with the removal of dead wood within the crown.
CHE/20/00857/TPO TPO 4901.14 21/01/21	The pruning of one Poplar tree reference T58, three Chestnut trees within G5 and two Poplars and one Ash within G6 on the Order map for Westside Landscapes on behalf of 11 Netherleigh Road.	Consent is granted to the re-pollarding of T58 Poplar and 2 Poplars and 1 Ash in G6 and the removal of dead wood to 3 Chestnuts within G5.
CHE/21/00006/TPO TPO 4901.12 22/01/21	The pruning of one Sycamore reference T17 on the Order map for Mr Crampton of 398 Old Road. The branches are allegedly touching the BT telephone wire.	Consent is granted to reduce two branches growing around the telephone wire to give a 1 metre clearance pruning back to suitable replacement branches.
CHE/20/00836/TPO	The pruning of 10 trees consisting of 3	Consent is refused to the crown reduction of 10

<p>TPO 4901.19</p> <p>25 /01/21</p>	<p>Sycamore trees and 1 Ash tree within G7 and 1 Ash, 1 Beech, 1 Sycamore, 2 Lime and 1 Oak within G9 on the Order Map for Mr Andrew Bird of 28 Abercrombie Street.</p>	<p>trees by 30% because no supporting evidence or reasons for the works have been submitted with the application. The works would reduce the trees amenity value and would be detrimental to the character of the Abercrombie Street Conservation Area. Some works are required to the trees, but each pruning operation should be specific to each individual tree. A further application has been invited which should address each individual trees requirement rather than a general reduction to every tree which would not resolve any of the perceived problems.</p>
<p>CHE/20/00852/TPO</p> <p>TPO 4901.324</p> <p>26/01/21</p>	<p>The pruning of two Sycamore trees reference T2 &amp; T3 on the Order map for Mr Woodhouse of 20 Aspley Close, Brockwell.</p>	<p>Consent is granted to the crown lifting of two trees by 4.5 metres from ground level and crown thin by 15%. Consent is also granted to reduce branches protruding from the main crown of T3 Sycamore by 1.5 metres to reshape the tree, pruning back to suitable replacement branches and leaving a well-balanced crown</p>
<p>CHE/20/00875/TPO</p> <p>TPO 4901.7</p> <p>01/02/21</p>	<p>The pruning of one Lime tree reference T21 and one Picea conifer within A2 on the Order map for Heathscapes on behalf of 1 Pine View, Ashgate.</p>	<p>Consent is granted to crown lift one Lime tree by 4 metres from ground level and crown thin by 5% and the reduction of one lower branch to reshape the tree by 1 metre pruning back to a suitable replacement branch.</p>
<p>CHE/20/00876/TPO</p>	<p>The pruning of one Cedar tree reference</p>	<p>Consent is granted to crown thin the tree by</p>

TPO 4901.7 01/02/21	T20 on the Order map for Heathscapes on behalf of 3 Pine View, Ashgate.	5% to remove dead wood and the reduction of protruding side branches by a maximum of 1 metre to re-shape and maintain a more compact tree.
CHE/21/00015/TPO TPO 4901.70 02/01/21	The pruning of one Oak tree within W1 on the Order map for Mrs Birch of 23 Aviemore Close, New Whittington.	Consent is granted to the crown lifting by 3.5 metres and the crown thinning by 25% concentrating on the east side of the tree to re-balance the crown.
CHE/21/00037/TPO TPO 4901.268 04/01/21	The felling of one Lime tree reference T11 on the Order map for Mr Ben Chambers of 75 Moorland View Road, Walton. The tree has a large wound at the base with signs of decay.	Consent is granted to the felling of one Lime tree with a condition to plant a new Small Leaved Lime tree in the first available planting season.
