Hollis Lane Link Road Phase 1 - Update on project delivery	Cabinet Member for Economic Growth 19 March, 2021	<p>1. That the progress and the issues that have arisen, as the legal agreements, final detailed designs and construction cost estimates have been finalised ahead of implementation of the Hollis Lane Link Road Phase 1 project be noted.</p> <p>2. That the Council commits further capital expenditure, in accordance with the terms of the collaboration agreement with Derbyshire County Council, to enable the project to continue to be delivered; the expenditure to be met through prudential borrowing and fully financed from the council's Markham Vale Enterprise Zone Retained Business rates income.</p> <p>3. To further recognise the positive outcomes and benefits that the Hollis Lane Link Road Phase 1 will deliver in support of the council's Chesterfield HS2 Station</p>	To ensure the delivery of Phase 1 of the Hollis Lane Link Road, a key element in the delivery of the Chesterfield HS2 Station Masterplan. The masterplan is a significant project in Chesterfield's Growth Strategy and its outcomes will not be possible without delivery of the Hollis Lane Link Road, which is critical to unlocking new development opportunities.	Issues have arisen that require member approval linked to the requirement to sign legal agreements critical to the delivery timescale.

		<p>Masterplan and strategic growth objectives.</p> <p>4. That a full review of the project governance arrangements be carried out and reported through to the Joint Growth Board, including any proposals for changes to the arrangements as the project moves forward into the next phase of delivery.</p> <p>5. That in accordance with paragraph 14.15 of the Council's Scrutiny Procedure Rules, to determine that the decisions at paragraphs 1 to 4 above constitute an urgent decision exempt from call-in for scrutiny by urgency as the issues which are the subject of this report are linked to the requirement to urgently sign legal agreements, which are critical to the delivery timescale of the project.</p>
