

Regarding Application for Licence 27082021

Name of Applicant: Vegged Ltd, 185 Sheffield Rd

Date 20/08/2021

Dear Mr Ashby,

As a letting agent for 183a Sheffield Rd, I must strongly object to the named licence application. We have a duty of care to our tenants.

These activities will undoubtedly cause undue stress and disruption to our tenants affecting their mental wellbeing.

They have not chosen to live in a location where these activities take place or expect them to take place. This is expected in more town centre locations. It is not fair on any residents in the area to introduce loud music in such close proximity.

The sale of alcohol can also lead to anti-social behaviour and increase noise levels, again causing distress to tenants.
