4.0 Report Details

4.1 Background

The Council's budget is set out in the 2022/23 Budget & Medium Term Financial Plan, General Fund and Housing Capital Programmes and Treasury Management Strategy reports. The budget reports form the basis of the Council Tax recommendation in this report.

The Borough Council, as the Tax Collecting Authority, is required by the Local Government Finance Act, 1992 to set the Council Tax for its area by adding its own tax to those of the Major Precepting Authorities (in this case Derbyshire County Council, Derbyshire Fire & Rescue Service and Derbyshire Police and Crime Commissioner) and the local Precepting Authorities (in this case Staveley Town Council and Brimington Parish Council).

Under the Local Government Act 1992 the Council is required to determine whether its relevant basic amount of council tax for a financial year is excessive. Where the increase exceeds the principles determined by the Secretary of State the authority is required to hold a council tax referendum. For 2022/23 an increase is deemed to be excessive for a shire district council if it is 2% or more above the 2021/22 level and more than £5 above the 2021/22 level.

5.0 Alternative options

objectives that it has set itself for the remaining term of the Council Plan through March 2023. Consideration and approval of the council tax increase forms part of that process.

- 6.2 The preparation of sustainable and balanced budgets over the medium terms is a key activity in contributing to delivery of the third Council Plan priority 'delivering value for money services'.

7.0 Implications for consideration – Financial and value for money

- 7.1 The report in its entirety deals with financial and value for money implications.

- 8.2 Under the Local Government Act 1992 the Council is required to determine whether it's relevant basic amount of council tax for a financial year is excessive.
