Meeting:	Standards and Audit Committee
Date:	20 th April 2022
Cabinet portfolio:	Governance
Directorate:	Finance
For publication	

1.0 Purpose of the report

- 1.1 To present to Members for consideration and agreement the Internal Audit Plan for 2022/23.

2.0 Recommendations

- 2.1 That the Internal Audit Plan for 2022/23 be agreed.
- 2.2 That it be noted that the plan is provisional and may need adjusting and prioritising in the light of any emerging risks / staff shortages etc.

3.0 Reason for recommendations

- 3.1 To comply with the Public Sector Internal Audit Standards and to determine the internal audit work plan for the year.
- 3.2 To ensure that the annual internal audit opinion can provide assurance in respect of the Council's governance, risk and control arrangements.

4.0 Report details

- 4.1 A key requirement of the Public Sector Internal Audit Standards is that a periodic risk- based plan should be prepared that is sufficiently flexible to reflect the changing risks and priorities of the organisation. The risk-based plan should be fixed for a period of no longer than one year, should outline the assignments to be carried out, their respective priorities and the estimated resources needed.
- 4.2 The plan has been prepared taking into account the following factors: -
- The organisational objectives and priorities
 - Local and national issues and risks
 - The requirement to produce an annual internal audit opinion
 - An update of the internal audit risk assessment exercise
 - The Council's strategic risk register
 - Consultation with the Corporate Leadership Team
- 4.3 Some reserve audit areas have been included at the end of the plan. Whilst every effort will be made to complete the 2022/23 planned areas first, a list of reserve areas provides more flexibility. At certain times of the year, particularly year end there can be legitimate reasons why an audit is not feasible at a particular time. If the contingency days are not required then these will be utilised on the reserve areas.
- 4.4 An annual report summarising the outcome of the 2021/22 internal audit plan will be presented to this Committee after the year-end. Some of the areas from the 2021/22 plan have been rolled forward to 2022/23.
- 4.5 A summary of the internal audit plan for 2022/23 is shown below and in detail at Appendix 1.

Internal Audit Plan 2022/23

Summary	Audit Days
Main Financial Systems	155
Other Operational Audits	164
Computer / IT Related	37

Corporate / Cross Cutting / Governance	116
Special Investigations & Contingency	35
Apprenticeships / Training	30

- 4.6 Resource availability has been based on the Consortium Business Plan that was approved by the Joint Board on the 29th March 2022. The plan allocates 560 days to Chesterfield Borough Council for 2022/23, this is the same allocation as in 2021/22.
- 4.7 The plan is ambitious and is reliant upon having a full staffing complement and fully trained staff so may not be completed in its entirety. The Senior Auditor at NEDDC has taken a promotion elsewhere and we have been unable to recruit a suitable replacement. Options are currently being considered. The Consortiums resources will be spread evenly amongst the partnership Members to ensure that each get a good proportion of their plans completed.
