- 4.4 Council may wish to provide comments on the report to the Overview and Performance Scrutiny Forum.

5.0 Alternative options

- 5.1 The alternative option is not to produce an annual report. This is not recommended for the purposes outlined in paragraph 4.2. The importance of the annual report was also highlighted in the statutory guidance on overview and scrutiny in local and combined authorities released in 2019.

6.0 Implications for consideration – Financial and value for money

- 6.1 The Overview and Performance Scrutiny Forum undertake budget scrutiny for the council and is involved in the early stages of budget preparation in order to review and challenge the budget forecast outturn. Budget and value for money is a key area for questioning across all scrutiny topics.

7.0 Implications for consideration – Legal

- 7.1 Overview and scrutiny is a legal requirement for local authorities under the Local Government Act 2000. The scrutiny function ensures that there is accountability to the public and that the needs and concerns of the community are reflected in executive decision making. The annual report helps to raise the profile of the work of scrutiny amongst the council and its communities.

8.0 Implications for consideration – Human resources

- 8.1 Support for the scrutiny function is provided within the Democratic Services team. Scrutiny has the power to call senior officers and cabinet members to attend meetings and provide evidence, this is done in consultation with senior officers and cabinet members through discussions at pre-agenda meetings.

9.0 Implications for consideration – Council Plan

9.1 The overview and scrutiny function supports the delivery of the council plan and delivery plans by aligning the scrutiny work programme to the key activities identified for delivery within the year. Scrutiny also receives regular reports on council plan performance and provides a valuable check and balance opportunity to support the council in achieving its targets.

10.0 Implications for consideration – Climate Change

10.1 Climate change has been a key area of interest for overview and scrutiny as scrutiny members are keen to support the council in achieving the goals set out in the Climate Change Action Plan. This will continue to be an important area of review for scrutiny during 2022/23.

11.0 Implications for consideration – Equality and diversity

11.1 Overview and scrutiny members bring experiences and skills from a wide range of different backgrounds, this enables our overview and scrutiny function to reflect and represent the needs of all our communities.

12.0 Implications for consideration – Risk management

12.1 There are no risk management implications.
