## 4.0 Report details

### 4.1 Background

The Local Authorities (Calculation of Tax Base) Regulations 1992 (as amended) require the Borough Council as Billing authority to calculate the Tax Base for the Borough and the Parishes and to notify the Major Precepting Authorities (Derbyshire County Council and Derbyshire Police Authority), and those Parishes which request it, by 31st January each year.

Section 84 of the Local Government Act 2003 amended the tax setting regulations so that the tax base calculation no longer has to be approved by the full council. The calculation of the tax base is a procedural matter which, should be delegated to a non-executive committee. The Council agreed (17<sup>th</sup> December 2003) to delegate the function to the Employment and General Committee.

The tax base represents the estimated full year equivalent number of chargeable dwellings in an area, expressed as the equivalent number of Band D dwellings. Or more simply, it is an estimate of how much income a Council Tax of £1 would raise.

### 4.2 Calculation of the Tax Base

The regulations mentioned at paragraph 4.1 prescribe the method of calculating the Tax Base and the statements at Appendices A, B, C and D show the Council's Tax Base calculation for the Whole Area, Chesterfield's non-parished areas, Staveley Town Council and Brimington Parish Council respectively.

The estimated collection rate was reduced in 2013/14 to 98.1% to reflect the increased difficulty of collecting small amounts from people affected by the changes to the council tax scheme. A review of collection rates has shown that this difficulty has decreased over time and it is now considered appropriate to work on the basis of a collection rate of 98.25%.

The overall Tax Base for 2023/24 at **30,222.43** (Appendix A) shows an increase of **364.31** or **1.2%** on the 2022/23 Tax Base of 29,858.12.

The Tax Base for each of the parished areas is as follows:

- ◆ Staveley **4,434.99** – an increase of 56.95 or 1.3% on last year's tax base of 4,378.04 (Appendix C); &
- ◆ Brimington **2,508.11** – an increase of 102.96 or 4.28% on last year's tax base of 2,405.15 (Appendix D).
