M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The Club comprises a bar, lounge, concert room, 2 pool rooms and a snooker room. During the week the concert room (which can be split into 2 rooms) is used as a community hub by Grassland and Hasmoor Big Local during normal working hours. In the evenings, the Club rents the concert room area out to various local community groups. Live music is performed in the concert room.

In undertaking the above, the Club ensures that it complies with relevant licensing, health and safety, fire safety and any other legislative requirements. We aim to ensure that the Club has a minimal impact on the local community particularly when customers are leaving the premises late at night. We have policies in place to deal with a range of issues such as drug misuse and disciplinary matters as well as safeguarding and we are an active member of Pubwatch.

b) The prevention of crime and disorder

All staff are aware of the need to not serve anybody with alcohol if they think that person has already consumed too much. The Club has a strict zero tolerance policy relating to drug abuse with posters to this effect displayed. Staff reserve the right to refuse entry or eject anyone who they think is involved in the sale of drugs and staff are aware that they should call the Police immediately if they think drug use/abuse is taking place. They are also aware that such issues should immediately be recorded in the incident book.

The Club has a door entry system which can only be opened by Club members with a valid members card or by staff from behind the bar. Staff can see who is wanting to get into the Club at all times and can decide whether or not to allow entry before opening the door.

The Club maintains a written incident book and the records shall be kept on the premises for a minimum period of two years for production on request, to a Constable or an authorised officer of a Responsible Authority. Entries in the incident book are reviewed on a regular basis by the Club managing committee and sanctions may be imposed where there have been breaches of Club discipline.

SIA registered door staff will be employed at the discretion of the Designated Premises Supervisor/holder of the Premises Licence as part of their written risk assessment, noting the guidance of Derbyshire Constabulary Licensing.

The Club has CCTV cameras covering all key areas of the premises including entry and exit points. Footage is recorded in real time and shall be retained 21 days and made available by suitably trained staff onto removable media to the Police or officers of Responsible Authorities upon their reasonable request.

The Club is a member of Pubwatch and the Designated Premises Supervisor or their nominated representative shall retain active membership of the local scheme as long as it shall exist.

No customers shall be permitted to leave the premises with open drinks containers, except for consumption in the designated outside area.

The Club and staff are committed to actively seek to reduce possible anti-social behaviour connected to the premises at the earliest opportunity.

c) Public safety

The Club Administrator is designated as the Health and Safety Officer who is responsible for the day to day management of health and safety issues. The Club also has a designated Fire Safety Officer who deals with all the necessary fire safety checks and paperwork.

All staff carry out visual safety checks during shifts to make sure the Club is safe for public use on an on-going basis. Toilets are inspected at regular intervals. All the necessary certifications in terms of PAT testing, electrical certification, fire certification and environmental health certification are in place and up to date.

d) The prevention of public nuisance

Live bands are always finished within our current licensed hours. The volume is controlled to a suitable level. Doors are kept shut when live music is being played. We have notices around the premises asking our customers to leave the premises quietly in order to respect our neighbours. Staff will reserve the right to refuse to serve those who they feel have already had too much to drink.

The Club's CCTV systems covers the exits to the building and the Club reserves the right to take disciplinary action against any members who regularly cause a public nuisance when leaving the building.

On occasions where larger than usual numbers are expected, the Club does employ registered door staff who monitor behaviour of customers entering and exiting the premises and they advise the Club Committee of any issues.

e) The protection of children from harm

The Club allows children up to the age of 11, to stay on the premises until 21:00. Those over 11 can remain in the Club until it closes. In both the above cases, children must be accompanied by a responsible adult at all times. Children are not allowed to be served at the bar.

All staff are aware of the Challenge 25 scheme and we display posters stating the staff reserve the right to refuse to serve anyone who they think is underage or who they think may be supplying alcohol to someone that is underage. Anyone who attempts to buy alcohol and who appears to be under 18 will be asked to provide an acceptable form of ID. Any incidents where the sale of alcohol is refused to someone under 18 will be recorded.

Under 18's are not permitted to play on the gaming machines and notices to this effect are on display. In line with the law, the Club operate a strict no smoking policy and under 18's are not permitted in the designated smoking area. Again, notices to this effect are displayed.

Full training to staff is provided on commencement of employment on relevant current legislation and any internal policies and procedures. Refresher training is provided as necessary and records are kept.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
