57 TO APPROVE AS A CORRECT RECORD THE MINUTES OF THE MEETING OF THE COUNCIL HELD ON 13 DECEMBER, 2023**RESOLVED –**

That the Minutes of the meeting of Council held on 13 December, 2023 be approved as a correct record and be signed by the Chair.

58 MAYOR'S COMMUNICATIONS

The Mayor referred with sadness to the recent death of Mrs Lorna Burrows, the wife of Alderman John Burrows. Members observed a minute's silence in her honour.

The Mayor thanked members for their support at the reception that followed the December Council meeting, where £228 was raised for the Mayor's Charity Appeal.

The Mayor referred to recent events which he and the Mayoress had attended including:

- Carol services around the Borough.
- Christmas festivities at the Chesterfield Royal Hospital, alongside staff and patients.
- The Chesterfield Community Roast, where they had taken part in karaoke and bingo and enjoyed a meal with the volunteers who cook once a month for the people of Whittington Moor.

The Mayor and Mayoress had spent time at Ashgate Hospice, talking to staff and volunteers about their upcoming refurbishment plans. The plans would result in a significant increase in beds allowing the Hospice to care for more patients.

As part of National Apprenticeship Week, the Mayor and Mayoress had visited local business, Auto Windscreens, who had a long-standing commitment to providing apprenticeships to young people in Chesterfield. The Mayor met with this year's intake and was pleased to hear how ambitious the apprentices were to pursue careers here in Chesterfield.

Finally, the Mayor invited Members to join him and the Mayoress at the Gala Dinner they would be hosting at the SMH Group Stadium on 15 March, 2024. An evening of food and entertainment would be on offer, all in aid of raising funds for the Mayor's two chosen charities, Chesterfield Royal Charity and Chesterfield Football Club Community Trust.

59 APOLOGIES FOR ABSENCE

Apologies for absence were received from Councillors J Bingham, Hollingworth, Niblock, Ridgway and Serjeant.

60 DECLARATIONS OF MEMBERS' AND OFFICERS' INTERESTS RELATING TO ITEMS ON THE AGENDA.

No declarations were received.

61 **PUBLIC QUESTIONS TO THE COUNCIL**

Under Standing Order No. 12, the following question was asked on behalf of James Allsop:

Given the current climate crisis does the Council still feel its support, promotion and financial assistance for a development at Peak Resort in Unstone that so many oppose, and that if successful, despite multiple failures over multiple decades will generate pollution, congestion and disruption for the residents is appropriate when none of the proclaimed thousands of jobs have been created and when so many other potential backers have pulled out of some of the other schemes proposed on this site?

Councillor Tricia Gilby provided a verbal response as follows:

- The Council had reflected the significance of the Peak Resort development in the latest Council Plan, Growth Strategy and Visitor Economy Strategy.
- Peak Resort would comprise of a 165-bed hotel, a range of food and beverage outlets, a cycling school, retail outlets for the hire and sale of outdoor equipment and apparel, a covered area for artisan markets, a skills academy to skill, reskill and upskill the staff that would be employed by the various operators and many more exciting initiatives.
- The development in time would lead to the creation of a significant number of new jobs within the Chesterfield economy, estimated at 1,000 and was projected to attract 1.3m additional visitors per year to the area.
- A solar PV canopy would be installed covering 875 of the planned 1,587 car parking spaces, alongside EV charging points, sustainable urban drainage systems and significant planting schemes, helping mitigate any negative impacts arising from the development.
- Travel planning initiatives such as hydrogen buses and taxis, and cycle hubs would be developed in line with the original Section 106 planning agreements.

The Leader stated that the reference to so many opposing the development is worthy of further consideration as to the vast majority of people signing the petition did not live within the Borough or surrounding areas, in fact only 8.38% did.

The Leader concluded by stating that the decision as to whether to allow the Peak Resort development to proceed would ultimately rest with the Council's Planning Committee, weighing up all of the material planning considerations relating to the application.

Under Standing Order No. 12, the following question was asked on behalf of Chris Allsop:

Will there be new environmental studies done on the land and air pollution as if the project goes ahead and we end up with a carpark what penalties/ consequences will there be for the developer and/or the Council that has passed the planning if the environment suffers in any way?

Councillor Tricia Gilby provided a verbal response stating that she did not wish to repeat that which she had already said in response to the first question, but she could confirm that the Peak Resort development was not a car parking scheme.

The latest proposals prioritised a range of measures which aimed to reduce the development's carbon footprint and there had been several supporting studies carried out to inform earlier planning submissions. The latest planning application had referenced those studies and included the results from recent ground investigations.

The site of the Peak Resort development was not within or close to any designated air quality management areas and the Leader had seen no evidence to date to suggest that air quality would be made worse by the latest proposals.

The Leader stated that should the Peak Resort development proceed, the Council would be vigilant in relation to monitoring and managing any resultant impacts on the environment.

62 **PETITIONS TO COUNCIL**

No petitions had been received.

63 **QUESTIONS TO THE LEADER**

Under Standing Order No.14 Members asked the following questions:

Councillor Kellman, as a CBC board member of Chesterfield's Citizens Advice Bureau, asked the Leader if it was appropriate for CBC to consider withdrawing its financial support for the advice agencies in Chesterfield, with the Council potentially losing out on housing and council tax revenues due to the support system not being in place to help households in need?

The Leader reminded Cllr Kellman of the Council's Budget Strategy and Budget Strategy Implementation Plan. Five thematic interventions had been agreed to direct the work of officers and portfolio holders. No decision had been taken to date on this matter, however the Council had conducted a thorough consultation exercise with the organisations involved, and a full and comprehensive report would be prepared for consideration by the Council's Cabinet in due course.

Councillor Snowdon asked if all Councillors would be handing back their free car parking passes?

The Leader replied that as councillors could legitimately claim expenses when carrying out their duties, it would in all likelihood cost the Council more to reimburse councillors for the cost of parking their cars rather than meeting the cost of providing free car parking passes, as she had stated at the last Council meeting.

Councillor Yates asked the Leader for an update on the DRIIVe project, which the Council was taking forward in partnership with the Barrow Hill Engine Shed Society?

The Leader was pleased to update Council on this exciting project. The planning application had been approved and the Council was now finalising the tender documents with a view to appointing an appropriate construction partner. The Leader referenced the broad range of jobs that were available within the rail industry, many boasting good salaries. DRIIVe would seek to provide a range of training opportunities, from entry

level courses to PhDs. There would also be a large number of apprenticeships available for school leavers.

Councillor Twigg announced that 8 March was International Women's Day and wanted to know if the Leader could tell members how the Council would celebrate this?

The Leader was pleased to inform Council that Derbyshire's High Sheriff would be sharing her experiences of championing diversity, equality, and social justice at an event here in Chesterfield, on International Women's Day. Organised by the Council and the Chesterfield Equality and Diversity Forum, Theresa Peltier, would also be reflecting on her 27-year career in policing.

Theresa Peltier had received the Police Staff of the Year Award from the British Association of Women in Policing in 2009 and also two Chief Constable Commendations for her work in Equality and Inclusion. She had also fulfilled the role of Vice-President of the National Black Police Association and received Lifetime Achievement Awards from the National and Derbyshire Black Police Associations.

Councillor Miles asked the Leader if she could tell members what the Council were doing to support people in the borough's communities who were finding it difficult to make ends meet, with inflation still 2% higher than the Bank of England's target?

The Leader replied that over £114,000 worth of funding had been awarded to community groups and local voluntary organisations in Chesterfield as part of a scheme designed to help deliver grassroots projects that would improve life for local residents.

A further £54,272 of grant funding had been awarded to 18 local groups, including Treasures Nursery, Edge Ministries, Global Adventure, Standing Tall Support and Pleasley Canoe and Outdoor Activity Club. The funding would help support these local groups to deliver their projects and build resilient, healthy, and safe neighbourhoods, which in turn would help tackle food poverty and social isolation.

Councillor McLaren asked the Leader if she was looking forward to any upcoming events in her busy diary?

The Leader replied that she was particularly looking forward to the Celebrate Chesterfield event being held at The Winding Wheel Theatre on 20 March. The event, organised by Destination Chesterfield, would comprise an expo showcasing the very best of Chesterfield's businesses and a conference promoting Chesterfield as a 'modern' destination. The event was also a great networking opportunity and was again sold out.

Councillor Bagley asked the Leader if she could highlight initiatives the Council had introduced to help individuals and local businesses contribute towards Chesterfield reaching its goal of net zero by 2050.

The Leader updated the Council on the ECO Hub, which had recently opened up in the town centre. The pilot project was designed to work with residents to improve their awareness of climate change and widen their understanding of net zero and the benefits of a more sustainable Chesterfield. Transition Chesterfield had received £2,500 to open up the Eco Hub, with opening hours of 10am to 12:30pm every Friday.

Councillor Ogle asked the Leader for an update on the 'Letters to Heaven' post boxes that had been installed at three sites in Chesterfield?

The Leader was pleased to reply that the boxes had been positively received and the initiative a great success. Residents were able to post letters, cards and messages to loved one in the post boxes, which would remain confidential and be handled respectfully when the post boxes were emptied. The three sites where the boxes were installed were Boythorpe Cemetery, Staveley Cemetery and Chesterfield and District Crematorium.
