## Bassetlaw District Council Facebook activity

The screenshot shows a Facebook interface with a post from Bassetlaw District Council. The post text reads: "Bassetlaw District Council added 2 new photos. 19 December 2014 at 16:34 · Edited · [lock icon] 'PICK UP OR PAY UP' painted on Brancliffe Lane and Shireoaks in response to complaints about frequent dog fouling incidents outside St Lukes School. Feedback from the public suggests that one particular owner is allowing their (large) dog to roam in one place around the area which is contributing to more dog fouling. Any information that would help us to identify this individual can be reported to the Council via [dogpoo@bassetlaw.gov.uk](mailto:dogpoo@bassetlaw.gov.uk) or if you witness any dog fouling, then Dob on a Dirty Dog: 01909 533 399.

Two photographs are shown side-by-side. The left photo shows a close-up of the white-painted text 'PICK UP OR PAY UP' on asphalt, with a circular logo above it. The right photo shows a wider view of the road with the same text painted on it.

On the left side of the screenshot, there is a sidebar with a post from 'opkinson' and several 'Like' buttons for 'law Scouts', 'I Times', and 'orksop Loop'. At the bottom of the screenshot, there is a URL: [66249/977184562299605/?type=1](https://www.facebook.com/66249/977184562299605/?type=1)

We have been out leafleting Lidget Lane and The Oval area of Ordsall in Retford. We have also been down Devonshire Road and West Carr Road. We will continue to patrol but we need the public's help in identifying those owners who don't pick up. Scoop it, bag it, bin it. Please.

You can report dog fouling via facebook or:

[dogpoo@bassetlaw.gov.uk](mailto:dogpoo@bassetlaw.gov.uk)
