

## The Wellington Hotel:

### Location and Availability of Community Infrastructure

The Wellington Hotel is located in the Barrow Hill and New Whittington ward in the north-east of the borough on High Street. This road acts as a link out towards the M1 motorway and inwards towards the Whittington Moor roundabout.

The map below highlights key community infrastructure surrounding the Wellington Hotel with 400m (around a five minute walk) and 1000m (around a fifteen minute walk). Within 400m of the hotel five other public houses (one – The Angel – has recently closed), St Barnabas Church and New Whittington Primary School are available. The hotel is also adjacent to a Local Centre, as designated in the *Local Plan: Core Strategy*, which is considered to meet the day to day retail needs of surrounding residential areas.

Further out within 1000m there are no alternative community facilities but this is mediated by those within 400m. The White Horse public house is displayed to the west of the Wellington Hotel within the 1000m buffer however this is now under lease as a Tesco Express.
