36 CHESTERFIELD BOROUGH COUNCIL INTERNAL AUDIT PLAN 2015/16

The Interim Head of Internal Audit Consortium submitted a report to present to Members the Internal Audit Plan 2015/16 for consideration and agreement.

The key requirement of the Public Sector Internal Audit Standards was that a period risk based plan should be prepared that was sufficiently flexible to reflect the changing risks and priorities of the organisation. The

risk based plan would be fixed for a period of no longer than one year, outlining the assignments to be carried out, their respective priorities and the estimated resources needed.

An Annual Report summarising the outcome of the 2014/15 internal audit plan would be presented to this Committee after the year end.

The detailed plan for 2015/16 was attached at Appendix 2 to the report and had been prepared taking into account the following factors:

- The organisational objectives and priorities;
- Local and national issues and risks;
- The requirement to produce an annual internal audit opinion;
- The organisations assurance framework;
- An update of the internal audit risk assessment exercise
- covering the financial control and other procedures subject to
- audit;
- The Council's strategic risk register and
- The views of the Chief Financial Officer.

The plan allocated 560 days to Chesterfield Borough Council for 2015/16, which was the same allocation as in 2014/15.

A copy of the audit plan was to be provided to the Council's external auditor to facilitate co-ordination of work programmes.

***RESOLVED –**

That the Internal Audit Plan for 2015/16 be agreed.
