

Questionnaire/Survey from DCC

Controlled Waste Regulations 2012

Dear Customer

Working in conjunction with Derbyshire County Council, Chesterfield Borough Council is reviewing arrangements for the disposal of household, commercial and industrial waste and specifically the impact of the Controlled Waste Regulations 2012 (CWR 2012).

The Regulations have made changes to the powers that Local Authorities have in respect of making charges for waste collection and disposal. Historically some organisations have only been charged for collection and have benefitted from free disposal whilst others have incurred both collection and disposal charges.

Provisions introduced by the CWR 2012 have resulted in changes to the charging regime which may mean some organisations that previously benefitted from free waste disposal will incur charges for waste disposal from 1 April 2015.

Currently you receive a waste collection service from Chesterfield Borough Council and we are interested to know your thoughts on the potential implications of the Regulations on your organisation.

By giving us some information we hope to be able to understand the full implications of any potential changes. So if you could spare a couple of minutes to fill in the following questionnaire, we'd really appreciate it.

If you have any queries please contact Carole Grew.

Email: carole.grew@chesterfield.gov.uk or telephone: 01246 345797

Please Complete and return in the envelope provided.
Deadline for responding to the survey: 19 December 2014

You may prefer to complete this questionnaire on line – if that is the case please go to <https://www.surveymonkey.com/s/MKJGB9M>
